FIRE HOSE COOLS DIXIE SCUFFLERS

THOUSANDS SCATTERED IN CHATTANOOGA

. . . Outnumbered Cops Aided

By Bill Anderson

Chattanooga, Tenn. (AP)—A tense crowd of several thousand whites and Negroes was scattered with fire hoses late Wednesday in Chattanooga's second day of race violence.

Ignoring the pleas of school officials to remain away from downtown, hundreds of youths converged on the area as classes were dismissed for the day.

Whites lined the sidewalks and all available police were mobilized when about 50 Negro high school students approached the downtown area. The number of Negroes swelled as they walked along the street. Police attempted to keep the two groups separate.

Police reported 20 persons, including 8 juveniles and 12 adults, were arrested on charges ranging from disorderly conduct to carrying a pistol. Eleven were Negroes. All but two of the 20 were released on bond or to their parents.

Twelve persons, 6 white and 6 Negroes, were arrested and charged with disorderly conduct. One also was charged with carrying a pistol.

Four dime stores closed when the crowd started to gather shortly after schools closed for the day. Managers said the stores would reopen in the morning.

The crowd thinned out considerably by 6 p.m., but extra policemen were assigned to patrol the downtown area during the night.

When the crowd refused to disperse, a fire hose was hooked up.

"If they don't move, throw it on them," ordered Mayor P. R. Olgiati.

Crowd Sprayed

The firemen turned on the water, sprayed the crowd, and the soaked men, women and youngsters scattered.

Few words were spoken as the Negroes walked past the white crowds. A loud shout went up when police broke up scuffles.

The Negroes made no move to enter the variety stores, scene of Tuesday's free-for-all between white and Negro youths. Twelve persons—11 whites and one Negro—were arrested and two injured in that melee. It began when the Negroes demonstrated for the third time in 5 days against segregated lunch counters.

In Richmond, both houses of the Virginia General Assembly quickly passed 3 trespass bills proposed by Gov. J. Lindsay Almond Jr. in a special message to the legislature. The emergency bills are aimed at breaking up demonstrations such as those staged by Negroes recently at lunch counters in several Virginia cities.

Brooks Sets His Cap For Senate Prize

GOV. BROOKS

By Betty Person

Gov. Ralph G. Brooks announced Wednesday that he will seek the Democratic nomination for the U.S. Senate seat now held by Republican Carl T. Curtis.

The news was not totally unexpected since speculation has been rampant for many months that he would set his cap for the Senate prize.

Brooks, 61, said Wednesday that the "determining factor" in his decision "to seek to represent Nebraska in the United States Senate is the continually declining role of the Nebraska farmer and the resulting economic hardship upon him, his farm supplier and the merchants on the main streets of Nebraska."

'Wheat Plan'

In this connection, Brooks said, "I shall press vigorously for enactment of the 5-point wheat program I announced on Nov. 25, 1959, in which I called for:

—"Immediate inauguration of a two-price or domestic parity plan for wheat.

—"100% parity price support on a bushel basis of the domestic consumption.

—"A national security wheat reserve.

—"Aggressive research for increased industrial uses.

—"Development of foreign markets to bring into play the tremendous weapon of abundance produced by the Nebraska farmer."

Hits Hard

Hitting hard at the farm issue, Brooks declared, "Nebraska needs to change its representation in the Congress to help end the confusion created by Republican legislators trying to outdo each other's election year effort to disown their own administration's farm program—the very program that they themselves have been supporting for the past 7 years.

"Nebraska's own Republican senator has only recently started to consider this issue of dedicating himself to a realistic farm program which will increase net income to farmers and reduce surpluses and costs to the taxpayer and ultimate consumer," he charged.

Expressing his views on other matters, contained in a prepared statement delivered at a press conference in his office, Brooks said he would "strive to curtail the Republican increase in interest rates thereby relieving our homeowners, farmers, small businessmen and expanding industries from this oppressive burden.

Overlapping Expense

"I believe, naturally, in an elimination of waste and reduction of expense. Despite 7 years under a military leader, unification of the armed forces has not been achieved and the overlapping expense and waste has caused an economic malady to the pocketbook of the American taxpayer.

"No American, no matter what he hears or reads, has a real feeling of security," declared Brooks.

"The discussed but discarded 'agonizing reappraisal' of our foreign aid program is long overdue, for here, too, while Americans have had virtually 'no new starts' for 7 years, we have recklessly spent billions in foreign aid to foreign lands without regard for eventual return on our investment.

"We must continue to devote attention to projects of the Bureau of Reclamation and Corps of Engineers designed to preserve our assets of soil and water as well as developing flood control and irrigation projects."

Defense Slip

On defense matters, Brooks said that "despite the highest defense budget in the history of our land America today is slipping into second rate status for the first time since the Revolution and 'the rockets' red glare' is often nothing more than another fizzle on the launching pad.

"I not only believe that the budget can be balanced upon the federal level, I know that it must be balanced."

"A Democratic majority in the next session of the United States Congress is a mathematical certainty. The next senator from Nebraska should belong to that majority to represent effectively the people of Nebraska," said Brooks.

Governor Eyes Old Score; Dares History, Page 32

—51,612 VOTERS IN LINCOLN—

GOP Lost More Than Did Rivals

By Virgil Falloon

Lincoln's voter registration currently stands at 51,612 with the Republican party showing a greater percentage of loss since 1958 than the Democratic.

Lancaster County Election Commissioner records showed the current registration (with two months still left before the April 29 deadline) of 29,857 Republicans, 20,521 Democrats and 1,234 non-partisan.

Though the Republicans and Democrats still maintain a 3-2 ratio, as they have for years, the current GOP list has dropped 3.66% or 1,134 voters from 30,991 at the November, 1958, state general election.

Comparably, the Democrats lost only 2.38% or 501 from the 1958 election total of 21,022. With the non-partisan voters of 1,267, the registered total was 53,280.

Shrinkage

Between the November 1958, state general and the 1959 city general election, the GOP list showed a 1.86% shrinkage compared with 0.8% for the Demos.

New registrations since last November were 72 for the GOP, 57 for the Demos, and 4 as non-partisan.

During the same period 14 Republicans changed their registration while 11 Democrats and 6 non-partisans switched.

A veteran election observer attached no special significance to the current figures.

Through the years and with losses in party registration totals, the two parties have maintained a 3-2 ratio.

Job considerations and personal reasons were seen as major factors in registration changes rather than purely political convictions.

Climate Reflects

The observer noted that the political climate at the Statehouse or in the national capital appeared to reflect in registration trends.

Lincolnites wishing to vote in the May 10 state primary must be properly registered by 5 p.m. on April 29.

Voters who have changed their addresses or their names must re-register to be eligible to vote.

Other persons registering are new citizens, persons who have become 21 years of age, or newcomers to the city.

Two Omaha Fire Survivors Said Critical

Omaha (AP) — Two of the 4 men injured in the St. James Hotel fire were fighting for their lives in County Hospital Wednesday. Seven other men perished in the blaze.

Charles Battles, 58, who leaped out of a second story window, his clothes in flames, was reported in critical condition with burns over about 85% of his body.

Nels Nelson, 76, who was affected by smoke, was reported in poor condition.

Two other men, 84-year-old William Gordon and 55-year-old Peter Peterson, were treated for smoke in their lungs and have been released.

Mrs. Clara Gillen, operator of the hotel and a multiple sclerosis victim, was reported in good condition at Doctors Hospital.

Station Undamaged

Firemen answered an alarm at the Likens Service Station at 1334 Cornhusker Highway Wednesday night. They said lint in a pipe smoked but caused no damage.

TANK CALLED IN—

Officers Kill Slayer Of 4

Uniontown, Pa. (AP)—A 42-year-old mountaineer with a reputation as a crack shot killed 4 persons Wednesday, wounded 5 others—then was slain by a policeman with a machine gun.

The slayer methodically picked off his victims. Three of those slain were women. Two children and their father, who cowered on the floorboard of an auto, were among those wounded.

For some unexplainable reason the berserk mountaineer didn't fire his rifle at a passing school bus loaded with more than a score of children.

But before and after the school bus passed the slayer fired as calmly at passing autos as if he were in a shooting gallery. His house was only 60 yards from a rural road.

The slayer was Dan Raymond, a 42-year-old pipeline walker for a natural gas company.

Raymond was shot seconds after he dived from the second-story window of his home and tried to reach his auto.

State trooper Jack Bingham fired the machine gun which ended the 8-hour drama. Bingham had the protection of an Army tank, hugging its side like an infantryman in battle.

Two of the dead women were found outside Raymond's home at Chalk Hill—about 8 miles east of Uniontown.

State police theorized Raymond shot the women as they drove past his house. One of the women apparently tried to run away from the car and was shot along the road.

The third woman killed was found in an auto, along with her wounded husband and two children.

Also shot to death was a highway maintenance worker.

Police surrounded the house early in the day and kept exchanging gunfire with Raymond.

State police then obtained a war tank from an Army reserve unit. It carried a crew of 3.

They lobbed one tear gas shell after another and opened with machine gun fire. Bursts from the incendiary shells set fire to the house.

It was at this point Raymond leaped from the second floor window. He was killed before he could get the auto moving.

IONE WICKLUND

Mother Pleads Innocent To Strangling Her Baby

By Del Harding

Twenty-three-year-old Ione Wicklund of 1500 West O pleaded innocent Wednesday in County Court to a second degree murder charge filed in the death of her new-born baby daughter.

The child's body was found late Tuesday afternoon in a closet in the trailer in which Miss Wicklund and her sister and brother-in-law live.

Chief Dep. County Atty. Paul Douglas said Miss Wicklund signed a 3-page statement admitting she struck and strangled the child shortly after it was born alive Jan. 29 and then wrapped the child in newspapers and put it in the closet.

Miss Wicklund appeared before County Judge Herbert A. Ronin without an attorney to represent her. After the charge—which specifies she killed the child "purposely and maliciously but without deliberation and premeditation"—she entered her innocent plea.

Held In Jail

Judge Ronin set a preliminary hearing for March 9 and set appearance bond at $10,000. Miss Wicklund did not make bond and is being held in City Jail.

The second degree murder charge carries a penalty of from 10 years to life imprisonment upon conviction.

Douglas said Miss Wicklund gave birth to the child unattended while her sister and brother-in-law, Mr. and Mrs. Lyle Sovde, were at work. Miss Wicklund is employed at a downtown music store and had worked up until the day before the child was born.

Douglas said neither Miss Wicklund's co-workers nor the Sovdes knew she was pregnant.

She was off work from Jan. 29 until Feb. 15, but passed off the illness as the flu.

The Sheriff's office received an anonymous phone call about 4 p.m. Tuesday and the caller said there was a dead baby in a trailer at 1500 West O. Dep. Sheriff Glenn Allen answered the call and found the dead child.

Douglas said the child was apparently a full-term baby and had no deformities.

Douglas said Miss Wicklund identified a Lincoln man as the father of the child, but said he also reportedly was unaware of her pregnancy. Miss Wicklund has never been married, Douglas said.

Miss Wicklund came to Lincoln in September, 1958, to live with the Sovdes. He is stationed at the Lincoln Air Force Base. The family is originally from Greenbush, Minn.

Old Cannon Ball Found In Valley

Valley Forge, Pa. (AP) — Mr. and Mrs. John H. Smith found a cannon ball in historic Valley Forge Park Monday believed to be of Revolutionary War origin.

The 7-pound, 2-ounce pitted ball of iron was dug up on a site believed occupied by Maxwell's Brigade, a New Jersey regiment attached to Gen. George Washington's Revolutionary War army.

More Shovel Work Ahead

Don't put the snow shovel away, as the weatherman predicts more snow in the west Thursday accompanied by increasing northerly winds spreading into the southwest by evening.

Warmer temperatures are expected Thursday with highs between 15 and 25, turning colder in the northwest Thursday night.

The state high Wednesday was at Chadron with 26 degrees. A cold 13 degrees below zero was reported at Imperial for the state low.

Lincoln's high and low temperatures Wednesday were 16 and 3 below zero. A total of 3.6 inches of snow fell in Lincoln during winter's latest blast.

Big Snows Pose Melting Problem

This winter's heavy snows brought snow removal problems to Lincoln, but also poses another potential hazard.

Streets Supt. Lynn Meyers said Wednesday that "several days of really warm weather could cause us a serious storm sewer problem."

Quick-melting of the snow, which has reached considerable depth since Dec. 27, could cause some minor flooding in backed-up storm sewers and along the city's major drainage channels.

Public Works Direct D. L. Erickson estimated that the 1959-60 city snow removal costs will approximate $45,000, as compared to $38,622 in 1958-59.

Gas Thought Death Cause At Humboldt

. . . TWO PERISH

Humboldt (AP) — A Humboldt man and his mother were found dead in their two-room home here Wednesday and Sheriff Irvin Gates said they apparently were asphyxiated.

He said a gas range and space heater were both turned on and there was an overpowering smell of gas in the tightly closed home, and caused the fires to go out. The heater was not vented, he said.

The two were identified as Carl Moore, 54, who did janitor work about Humboldt, and his mother, Mrs. Annie Moore, who was in her late 80s or 90s.

They were Humboldt's only Negro residents.

Gates said the two probably had been dead since Saturday.

He said they were found by Charles Hartung and Walter Nelson.

The Weather

NEBRASKA: Partly cloudy east, increasing cloudiness with scattered light snow west Thursday; light snow and colder west Thursday night; highs Thursday 15-25.

County Red Cross Gets New Home

Lancaster County Red Cross has bought the old Delta Upsilon fraternity house at 17th and E for use as its new headquarters.

Purchase price of the building was reportedly $75,000. Story and picture appear on page 2.

Rio Turns Out Strong To Welcome President

. . . 'HANDS OFF' HEMISPHERE, IKE WARNS REDS

Rio de Janeiro (AP) — Hundreds of thousands of Brazilians welcomed President Eisenhower with cheers and a blizzard of confetti and streamers Wednesday. The crowds were described by police as the greatest for any visitor in Rio de Janeiro's 4-century history.

Eisenhower smiled and waved as packed throngs acclaimed him on a drive along the skyscraperlined Avenida Rio Branco, the main business street, and the long palm-dotted drive fronting on Guanabara Bay. The drive took more than an hour.

Eisenhower took up the serious business of his 4-nation South American tour in responding to an official welcome before the parade and in an address to Brazil's congress afterward.

With the Communists evidently in mind, he sounded a "hands off" warning to any ideology threatening to deny American nations the right to choose their own way of life. He called for the banishment of war and diversion of armament money to global attacks on disease, ignorance and poverty. He suggested a speedup in studies for promotion of the Western Hemisphere's economic development.

Samba bands were out in this city of 3 million, nestled between the mountains and the sea, long before Eisenhower's big jet roared in from Brasilia, the sprawling new capital-to-be 600 miles northwest of Rio.

"Ike! Ike! Ike!" was the Carioca cry of the day. Sometimes the Portuguese rendition came out in two syllables, "Ee-kee."

A turnout of 500,000 to 750,000, was estimated.

Student elements joined in the acclaim for Eisenhower, but student leftwingers had a good word too for Cuba's Prime Minister Fidel Castro.

"We Like Ike—And Fidel Castro," said a sign strung across student headquarters, with bigger letters emphasizing Castro's name. A sign hung across the route said "Understanding Yes, Submission Never."

Eisenhower said he hoped his visit "will' emphasize the desire of my government and all the people of my country to strengthen the bonds of friendship with you."

The President later delivered the first major address of his 10-day tour. Before Brazil's congress he proclaimed his "hands off" warning. He declared:

"We would consider it intervention in the internal affairs of an American state if any power, whether by invasion, coercion or subversion, succeeded in denying freedom of choice to the people of any of our sister republics."

Thursday the President goes to Sao Paulo, Brazil's major industrial city.

Chattanooga policemen brandish billy clubs in trying to disperse a group of Negroes during Wednesday's racial episode.

County Red Cross Buys Old DU Fraternity House

The Lancaster County Red Cross announced Wednesday the purchase of a building at 17th and E Streets for use as a chapter headquarters.

Purchase price of the building was $75,000, according to Harold Hinds, chairman of the Red Cross building committee. The building, now vacant, was formally the Delta Upsilon fraternity house.

A motion to buy the building from George Sharpnack, 4334 B St., was passed unanimously at a Red Cross board of directors meeting.

The decision followed a survey by the Red Cross executive committee to determine space needs for a growing program of service.

Hinds said, "The board of directors considers the new building adequate to handle present services of the Red Cross and one that can be expanded as the growth of Lincoln requires it."

More Space

The newly-purchased building has approximately 10,000 square feet of floor space as opposed to the 3,000 now available in rented quarters at 312 So. 12th St.

Money used for the purchase of the building came from estate bequests made to Red Cross over a 15-year period by devoted citizens who recognized our need for more adequate quarters, Hinds said.

He said that no funds collected through the annual Community Chest and Red Cross United Campaign were involved in the purchase.

"Acquisition of the building does not mean the Red Cross intends to expand its services immediately, but rather to meet the need for increased services in areas in which it is now operating," said Harold C. Hill, chapter manager.

On June 1

Tentative plans to occupy the building are for June 1, 1960, upon expiration of the lease at the present location.

Present services include programs in Home Service, aid to servicemen and their families; Disaster Program; Safety Services; including the teaching of classes in first aid and water safety; Nursing Services, classes in Mother and Baby Care and Home Nursing; Youth Programs, both Junior Red Cross and College Unit; Public Information; Fund Raising; and Volunteer Services, including 1500 workers who assist at institutions, hospitals and other phases of the Red Cross program.

Members of the executive committee who originally submitted plans for acquiring a Red Cross building are: William Gold, Jack Stewart, Ray Osborn, Alfred Adams, Mrs. Blanchard Anderson, Mrs. Ellery Davis, and Mrs. J. P. Colbert.

Also W. R. McGeachin, Max Roper, Mrs. John Scofield, Miss Lona Trott, Dr. Steven Watkins, Mrs. A. B. Gorman, Clarence Hinds, Ernest Smith, Robert Dobson, Joe Fenton, Howard Spahnle, Lloyd Corp and Harold Hinds.

Pictured above is the old Delta Upsilon fraternity house at 17th and E, purchased by the Lancaster County Red Cross for use as its new headquarters.

Ketchup-Bottle Sized-Baby Dies Enroute To Haven

Harrisburg, Ill. (UPI) —A day-old, 15-ounce girl the size of a ketchup bottle died today in the ambulance rushing her through a snow storm to a hospital where she might have lived.

The tiny child's life flickered out near Carbondale, Ill., a short time after a specially-equipped ambulance began a 120-mile race from Harrisburg to Christian Welfare Hospital in East St. Louis, Ill.

The seven-inch long girl was born at 3 p.m. yesterday to Mrs. Delores Hull, 20, the wife of a young farmer-school teacher. She was the Hulls' first child.

Doctor's said the infant's life hinged on a specially-equipped ambulance being able to fight mounting snows and get her in time to the special center for premature babies at East St. Louis.

Nimitz Reflects: Says U.S. Fought Pacific War Well

Honolulu (AP) — Fleet Adm. Chester W. Nimitz, on his 75th birthday Wednesday, looked back on the Pacific War and said he could not improve on the way the United States fought it to victory in 1945.

The Admiral's comment was in a telephone interview from his home in Berkeley, Calif., with William H. Ewing, managing editor of the Honolulu Star-Bulletin. Ewing served under Nimitz in the war and later was a Pacific war correspondent.

Of the future, Nimitz said, "I believe that with a series of summit meetings where the heads of state meet, not just once, but frequently, and keep talking, the chances of eventual peace are better than if we stand off and glare at each other."

Ewing asked the man who took charge of the Pacific Fleet after the Pearl Harbor disaster, "If you had to fight the Pacific war again, beginning at Pearl Harbor, would you do it any differently?"

"I can answer that very briefly," Nimitz replied. "Given the same handicaps with which we fought World War II in the Pacific, I could not improve on the procedure with which we fought that war."

Attendance 3,600 For Kingston Trio

The popular Kingston Trio drew a crowd of 3,600 for their performance at Pershing Municipal Auditorium Wednesday evening.

The singers set a record for receipts and attendance over other musical groups which have appeared at the auditorium. The event was sponsored by the University of Nebraska Corn Cobs, men's pep organization.

Union OKs $500,000 '60 Budget

A new junior-senior high school and a half-million dollar budget occupied the attention Wednesday of the Union College board of trustees.

The board reviewed the college's long-range building plans and approved the 1960 operating budget of $500,000.

The first construction project is breaking ground this fall for a demonstrator secondary school. There, Union's teachers-to-be will get practical experience in teaching before they are graduated. The school site lies east of Helen Hyatt Elementary School at 51st and Calvert.

The trustees expect a 5% enrollment increase in the autumn semester.

In other action, the board re-elected its officers: Elder Theodore Carcich, chairman; Dr. D. J. Bieber, secretary, and V. S. Dunn, treasurer.

With Ike Thursday

Rio de Janeiro (AP)—President Eisenhower's schedule for Thursday:

9:15 a.m.—Leaves for Sao Paulo.
10:15 a.m.—Arrives Sao Paulo Airport.
10:45 a.m.—Rides in motorcade to governor's residence.
12:55 p.m.—Lays wreath at war memorial.
1:15 p.m.—Attends luncheon in his honor given by commercial and farm groups.
3:45 p.m.—Leaves for Rio de Janeiro.
4:45 p.m.—Returns to Galeao International Airport, Rio de Janeiro.
5:20 p.m.—Greets U.S. Embassy staff in embassy garden.
8:30 p.m.—Gives dinner for President Juscelino Kubitschek at U.S. Embassy.

(Brazilian time is 3 hours ahead of central standard).

Police Forced False Story, Van Rie Says

Boston (AP) — Dutch seafarer Willem Van Rie climaxed a dramatic 30-minute monologue Wednesday with a flat one-word denial that he killed Lynn Kauffman.

"Did you kill her?" the handsome 31-year-old ship's radio operator was asked a moment before his first degree murder trial recessed overnight.

"No," replied Van Rie.

He said he was pounded by police in night-long questioning until he admitted being in the 23-year-old American divorcee's cabin aboard the Dutch ship Utrecht the night of her death Sept. 18. But he added that he quickly retracted his admission that he quarreled with the girl and struck her and told his interrogators:

"You took the wrong man. You have not got the murderer."

Actually, Van Rie testified, he hadn't seen the girl for some 12 hours before her death. At the time she went overboard into Boston harbor he said he was occupied with his duties as radio operator of the Utrecht.

The state says Van Rie and Miss Kauffman were partners in a strange shipboard love affair as the Utrecht moved westward last summer through exotic parts of the Far and Middle East.

Some Of Major Drugs Produced By Few Firms

. . . SENATE PROBERS' FIGURES SHOW

Washington (AP)—Senate probers trying to determine if drug manufacturers have a monopoly and charge excessive prices presented figures Wednesday showing that only a few firms produce some of the major drugs.

Calling it a "remarkable degree of concentration" in manufacturing, Sen. Estes Kefauver (D-Tenn) said "it's by far the highest concentration of any industry I have come across."

Wednesday's only witness before the Senate Anti-Trust and Monopoly subcommittee, Dr. Austin Smith, president of the Pharmaceutical Manufacturers Assn., said he was not surprised by the figures.

"It only shows the companies are producing what is needed," Smith said.

He added that the figures also showed what is typical of the American patent system.

Smith said he hadn't had a chance to study the figures, presented by John Blair, the subcommittee's chief economist. The witnesses asked permission to make a statement on them later and Chairman Kefauver said he could do so.

Kefauver said Blair's figures were cited because Smith had testified earlier that there are about 1,300 drug companies in the field and no one of them accounts for as much as 10% of the total sales.

Walkathon Promoter Hits Critics

London (AP) — Millionaire Billy Butlin angrily denied Wednesday he is courting tragedy by sponsoring an end-to-end of Britain walking race in the dead of winter.

Butlin, 58 and tubby, said he had set up safeguards against the perils of blizzards in northern Scotland and furthermore, would walk the first 50 miles himself. He said the first 50 miles were the most dangerous.

About 1,000 marchers expect to set out Friday night from John O'Groats at the northern tip of Scotland in a mass walking match to Land's End in southern England, a distance of 1,000 miles.

They are chasing prizes totaling 5,500 pounds ($15,400) put up by Butlin, a holiday camp boss.

Contract bridge with 4-deal scoring is called "Chicago" because it originated at the Standard Club in Chicago about 15 years ago.

In your interest....

You should know these facts about Compact Cars

by GEORGE ROMNEY
President, American Motors Corporation

AUTOMOBILE history has been made. A new class of cars has achieved unprecedented public acceptance.

This new class is the compact car class.

For 8 years, Rambler was the only compact car.

Now every major U. S. car manufacturer offers his version of the compact car.

Because this class of cars is so new—and because so many conflicting claims are being made, there is understandable puzzlement in the minds of many people as to what these compact cars are.

How does each compare in price, in economy, in performance, room, comfort, features?

How does each measure up by the basic yardstick of value—usefulness to the user?

As the originator of the compact car—as the first company to heed motorists' demands for a more economical, less bulky six-passenger car—we know you need facts about compact cars to clarify the confused picture which has arisen because of the many conflicting claims.

That is why we present these facts.

George Romney

What is a compact car?

Webster defines "compact" as "firmly united . . . solid . . . arranged so as to economize space . . ."

A compact car offers big car room and comfort for five or six passengers, without *needless* bulk. By avoiding excess bulk, a true compact car provides high level economy with performance, maneuverability and driving ease.

CAR TYPES BY OVER-ALL LENGTH

SMALL CARS—145 to 170 inches

FIAT	148.6 in.
METROPOLITAN	149.5
RENAULT	155.6
VOLKSWAGEN	160.2
HILLMAN	162.0

COMPACT CARS—170 to 200 inches

LARK	175.0 in.
RAMBLER AMERICAN	178.3
CORVAIR	180.0
FALCON	181.2
VALIANT	183.7
RAMBLER 6 and V-8	189.5
RAMBLER AMBASSADOR V-8	198.5

BIG OR CONVENTIONAL CARS—200 inches AND UP

THUNDERBIRD	205.3 in.
DART	208.6
PLYMOUTH	209.4
CHEVROLET	210.8
FORD	213.7
OTHER BIG CARS	212.6 to 227.2

In our 10 years of building compact cars we found the necessary room cannot be provided in a vehicle less than about 170 inches long.

The maximum length is about 200 inches. Beyond that, excess sheet metal adds nothing to comfort—only to parking problems. See chart at left, below.

How many kinds of compact car?

Everyone realizes that there are major differences between big cars in size, price, quality, comfort and performance, but few are aware that differences between compact cars can be equally varied.

There are three distinct compact car fields, based on over-all length. See chart below.

THE THREE TYPES OF COMPACT CARS

Small Compact Cars	All-Round Compact Cars	Luxury Compact Cars
RAMBLER AMERICAN	RAMBLER 6 and V-8	RAMBLER AMBASSADOR
178.3 in.	189.5 in.	198.5 in.
CORVAIR FALCON LARK VALIANT	No other car in this field	No other car in this field

COMPACT CARS

170" ← OVER-ALL LENGTH → 200"

Only Rambler offers a full choice of compact cars.

New compact cars on sale are *small compacts*, like Rambler American—about 175 to 184 inches long.

While some of these small compact cars claim six-passenger room, they lack enough room in important dimensions to ride six *big* men in comfort.

Above this class is the optimum compact car—the Rambler Six—189.5 inches long.

Optimum because it offers the ideal balance of qualities to provide *optimum usefulness to the user.*

The ideal balance of big car room, with small car handling ease . . . fine performance, with top economy . . . highest quality, with low price and top resale value . . . modern styling, with easy-to-enter doors.

If you want these Rambler advantages with V-8 performance, but slightly less fuel economy, there is the Rambler Rebel V-8.

AMBASSADOR V-8...Compact Luxury.

For those who want luxury car performance and features—with the extra luxury of compactness, we offer the Ambassador V-8 by Rambler—America's first and best compact luxury car. (Imitations of the Ambassador have recently been announced by our competitors as the first of this type.)

Which is lowest priced?

Probably the greatest area of confusion is in the wild claims of "lowest price."

One small compact car claims to be priced "up to $124 less than other compact cars."

The facts, according to manufacturers' suggested factory delivered prices, show this:

- Rambler American is lowest priced of all U. S. cars—by at least $117 on 2-door sedans, $130 on 4-door sedans, $205 on station wagons.

Facts, not claims, show the Rambler American, with room for five big adults, is lowest-priced by far.

What about economy?

Conflicting claims have now been settled by the first *official* economy test between the compact cars.

A Rambler American Custom Sedan with overdrive averaged six-and-two-thirds more miles per gallon than any other compact car in the recent Pure Oil Economy Trials, at Daytona Beach. The event was under the strict supervision of NASCAR.

Compare total economy.

Rambler not only saves you money on first cost and gasoline, but also on upkeep and lowest depreciation. Rambler leads in *total economy.*

Rambler owners—America's happiest.

Impartial surveys show Rambler owners are happier than owners of any other make. They report fewer service troubles. More say they will buy the same make again than owners of any other cars.

The reason is Rambler's Basic Excellence that pioneered lighter, stronger, safer, rattleproof Single-Unit* construction and Deep-Dip* rustproofing.

Basic Excellence that builds up to a standard, not down to a price.

Rambler's superior quality control.

The Rambler plant produces more complete cars than any other single U. S. plant. With production in one plant, it is much easier to maintain uniform quality control over every process.

Now Rambler production has been expanded again—to three full shifts, six days a week.

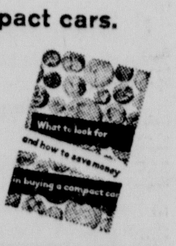

But be assured, we will not sacrifice quality for quantity production.

Every Rambler built will be as carefully made and inspected as the Ramblers which have built our reputation in the past.

FREE—facts on all compact cars.

If you would like a thorough, factual analysis of all the compact cars (and how they compare with the leading low-priced cars), we have prepared a helpful booklet which we will be happy to send you free.

Just mail the coupon below.

Eye Planning On Intervals

. . . THROUGH-STREETS STUDIED

By Virgil Falloon

The City-County Planning Commission took under advisement a basic question of whether major through-streets should be developed at one-mile or half-mile intervals in new residential areas following a lengthy hearing Wednesday.

Lincoln s Comprehensive Plan of 1953 adopted the one-mile intervals for residential areas in basic subdivision planning for the "neighborhood unit."

But, Public Works Director D. L. Erickson and City Engineer Carl Fisher are urging that a half-mile grid system of through streets is necessary for major construction of utilities and for traffic movement.

For People

Defending the one-mile interval plan, Planning Director Douglas Brogden charged that "subdivisions should be designed for people and not for utilities."

"Most cities are using the one-mile or similar neighborhood plan," Brogden said, "and some are spending money to eliminate through streets in residential areas."

Commission members appeared divided on the opposing views and early indications were that a compromise policy or solution would be attempted in further study.

77th In Question

Precipitating the basic question was whether 77th street, (a mid-section line or half-mile interval street), should be developed as a north-south through street across the city.

Only 70th and 84th are currently planned as cross-town streets.

Erickson said 77th was needed as a through-street for right-of-way for a $6.5 million water supply line programmed for after-1970 construction.

He also contended that reservoir costs might quadruple from the $600,000 estimate if a "straight-through right-of-way" were not made by street planning.

Higher Costs

Brogden contended that utility costs from lack of a mid-section through street would not be materially increased in relation to the value of good neighborhood planning.

He estimated that water main cost in a one-mile section might increase $22,000 on a less direct route as compared with the total utilities cost of $500,000 to $900,000.

The grid-system of streets is being tossed out by larger cities in planning of streets and arterials for new residential subdivisions, he said.

The one-square mile neighborhood unit encourages the elementary school and parks toward its center with discontinuous local streets to discourage heavy traffic movement. Commercial, institutional, and semi-public building is on arterial streets bounding the unit.

Street Straddled

Brogden noted that the city engineering department had raised no objection to one residential plat that "presently straddles 77th street."

Another proposed subdivision, Wedgewood Manor, east of the Veterans Hospital has planned a lake where 77th would be run, he said.

The Lincoln Homebuilders Assn. recommended that one-mile intervals for through streets be maintained as a basic policy as much as possible in a letter to the commission.

Without making a decision on the basic policy question, the commission granted preliminary approval for Parmenters Subdivision near 75th and Holdrege that makes provision for abutting 77th as a through-street.

Deferred

However, action on Cedar Heights Subdivision, located on the south side of Pioneers and 63rd extended, was deferred.

While 63rd would be a half-mile interval street, the commission noted the street would be "straddled" by the proposed Antelope Creek Dam-Reservoir.

A $20,600 storm sewer is recommended by the city engineer also for the subdivision, which would lie one-third in the reservoir area.

A Corps of Engineers report on whether the Antelope Dam plan now has a feasible cost-benefit ratio is due about April 1.

One commission member said current information is that considerable doubt has developed in preliminary studies.

★ ★ ★ ★

40th, South Shopping Center Turned Down

The Handy System Stores' request for additional zoning for a proposed supermarket and shopping center at 40th and South was denied by a 6-1 vote of the City-County Planning Commission Wednesday.

Planning Director Douglas Brogden recommended against any increase in the commercially-zoned area, but no objections to a special permit for off-street parking if accompanied by a well-conceived plan for trafifc control across sidewalks being used by school children.

While the proposed zoning change would not permit business closer to nearby Bryan School than currently exists, Brodgen said the additional zoning was objectionable as increasing business activity in the area.

Packer Approved

The commission recommended approval of a special permit to John Wood for the proposed construction of a packing and meat-processing plant at 400 West P.

Also approved was a special permit for Gateway Manor Inc.'s proposed 7-story Senior Citizens Home near 56th and O.

The 200-unit apartment building would also include an infirmary, cafeteria, recreational facilities, and 5 duplex family units, and parking for 100 cars.

Other commission action:

—Approval of vacation of Avery Ave. south of W as requested by the University of Nebraska.

—Approval of vacation of north-south alley between 17th and 16th near S street, also requested by the University.

—Approval of preliminary plat of Hanson Plaza, a replat of 56 lots on 53rd between Holdrege and Orchard.

—Received an opinion from the city attorney that a zoning change could not be legally conditioned upon use being made of the property within a specified period of time. (The City Council requested the commission to study the possibility of "automatic revocation" of a zoning change if the land were not used.

McGinley To Seek Sound Wheat Bills

Washington — Rep. Don McGinley pledged Wednesday to take an active part in the effort to provide sound wheat legislation in 1960.

The Ogalalla Democrat said "there are many definite possibilities for turning back the trend of declining exports to foreign markets."

Price and quality are among the obstacles, McGinley said.

"The Department of Agriculture has the power to tighten grade requirements and rules for export inspection, but it has been lax in making improved regulations," the 4th District congressman noted.

"The foreign buyer can know what kind of wheat he wants, but our grading and inspection rules are of such latitude that he cannot be sure of receiving the quality he desires."

Congress apparently will have to work for a solution by direct legislation, McGinley said.

"Increased sale of wheat to foreign markets is certainly not the whole answer to our difficulties," he pointed out, "but it is a mighty promising part of the over-all solution."

Jail Urged For Rail Head; His Trains Blocked Streets

Austin, Tex. (AP) — The Texas Supreme Court said Wednesday it is up to Dallas Dist. Judge Jack Thornton whether the president of the Missouri-Kansas-Texas Railroad goes to jail for contempt of court.

W. N. Deramus III of Kansas City, Mo., has a 240-day jail sentence, plus a $4,000 fine, hanging over his head because M-K-T freight trains blocked a Dallas street crossing more than 5 minutes at a time.

"I'm going to put him in jail if it takes me the next 10 years to do it," said Thornton, who levied the contempt sentence after being told his court order not to block the crossing had been violated 86 times in a 6-month period.

Deramus declined comment.

Police Searching For Rape Suspect

Lincoln and University of Nebraska police are still investigating the alleged rape of an 18-year-old University employe, police said.

Police are searching for a man described as around 40, weighing approximately 175 pounds and partly bald with black hair.

The girl told police she was attacked at noon Monday in a restroom in Andrews Hall on the NU campus.

Subpoena Hotel Data

Washington (UPI) — House payola investigators revealed Wednesday they have subpeonaed the records of 6 Miami-area hotels where disc jockeys roomed and reveled during their gala 1959 convention.

A source said the investigators wanted to "take a good close look" at the hotels' books to see how they reflected record company expenditures on behalf of the platter spinners.

Broadcasting magazine, a trade publication, reported last June that an estimated 3,000 persons "sunned, swam, swizzle-sticked and business-sessioned their way through" the convention.

The magazine said it was estimated that $600,000 was spent by the delegates, stations and record companies, including $200,000 by the record firms alone.

All Demo Candidates Invited To Hastings

Hastings (UPI) — A Democratic program will be held here March 15 and all Democratic candidates will be invited, Adams County Democratic Chairman Jack Binderup announced.

Binderup said Adams County Democrats want all the voters to have a chance to meet and visit with Democratic candidates.

Nikita, Sukarno In Secret Talks

Bali, Indonesia (UPI) — Soviet Premier Khrushchev met with Indonesian President Sukarno here Wednesday in secret talks.

Troops patrolled the guest house in the Balinese mountains where the Soviet and Indonesian chiefs and their top aides met in what they called "preliminary" negotiations.

Security was so tight that newsmen could not get near the house, located some 25 miles from the coastal city of Denpasar.

Exemplary Road Program

By WILLIAM O. DOBLER

County Engineer Louis Weaver made an interesting statement when it was suggested that he prepare a detailed plan for future county road-building. There is a plan for the future, he said, but it is difficult to make it too detailed because of the uncertainty with which funds will be available in coming years.

This is a practical fact which also has a bearing on the Interstate Highway in Nebraska. Among the victory claims of recent antagonists of the Interstate program was one that their efforts had moved up complete spanning of Nebraska by the Interstate by three to four years. This, of course, is a false claim as any reasonable view of the situation will show. The Interstate will proceed with funds divided roughly on the basis of 23 per cent for urban work and 77 per cent for rural work. This means the Interstate will not "span the state" until it also has all its urban aspects completed because the final cost of the entire program calls for 23 per cent of the money to be spent in urban areas and 77 per cent in rural areas, regardless of the ratio of spending from year to year.

Interstate Progress

But it is the availability of funds which determines when the program will be completed across the state, not any order of priorities or annual spending ratio. And these funds, coming from the federal government, are very uncertain — just as are the federal funds on which County Engineer Weaver plans. The federal government, and only the federal government, will determine when the Interstate is completed in Nebraska and thus, when it will span the entire state.

Weaver was the recipient of another interesting statement. Actually, the statement was more unusual than interesting as it was a compliment to Weaver on the condition of county roads. The compliment came from residents of the Davey and Hickman area who said that those who complain about Lancaster County roads should visit other counties and they would then realize what "a fine job Weaver is doing."

★

Certainly, it is to Weaver's credit that Lancaster County has been as free as it has from criticism of its road program. It has not been just by accident that this has happened. Weaver has done a very good job by being alert to the availability of any funds he could possibly use. He has kept his department well organized to the point where it has never found itself in a bind through lack of planning or inefficiency.

In bridge work, hard-surfacing and graveling, the county has found that Weaver has made constant progress. Hard-surfacing of a number of major city streets has been carried out into the county for the added comfort and convenience of rural inhabitants. This has meant better transportation into and out of Lincoln and has, thus, been a contribution to the economy of the city. It is not meant in pointing this out that Lincoln owes any money or additional service to the county.

★

If one wants to search for them, plenty of examples could be uncovered of city assistance to rural inhabitants for which no direct financial return is made. But this is the side of the coin which always seems to be turned up and the county's road program shows that there is another side to the coin.

One point of it all is that, at least in the case of the city of Lincoln and the county of Lancaster, the city and county are compatible segments of government. They are complimentary to one another and a great deal more will be achieved by their working together than by any selfish idea of independence or political influence. Unfortunately, such ideas have prevailed all too often in the past.

They have prevailed any time the question of annexation has come up for Lincoln in connection with the business and residential areas growing up around the city's limits. Neither the city nor the county has actually considered in such matters the welfare of all the people and the progress of the entire area. Nor have these often been the objectives in consideration of city-county consolidation. Meeting after meeting held in connection with consolidation has brought forth many and varied reasons why such a move cannot be made but little thought as to how it could be accomplished.

Areas Of Dispute

Fortunately, this kind of attitude has seemed to have changed within the past year. A great deal of the credit for this no doubt goes to a new board of county commissioners. If the attitude of co-operation and understanding which has been shown in road matters continues in all areas, it will bring about the eventual solving of many problems.

Reblazing Old Trails

Some 160 years ago and thereafter long wagon trains of western settlers worked their tortuous way through the gap at the foot of Scotts Bluff, and once through they swung back to the banks of the North Platte river and set their course toward Laramie peak barely visible in Wyoming.

It has been years since the wagon trains stopped and in many places now the average man can see no trace of the braided trails albeit the general outlines can be detected from an airplane and there are some who can tell you whether a certain depression is just an eroded gulley or the vestige of an old wagon rut.

It is to the great credit of a certain L. Clark Bishop, retired Cheyenne, Wyo., citizen, who has spent more than the past decade remarking the Oregon and allied trails through Wyoming, and doing it so well that posterity will never have difficulty locating every point on them. Bishop, who is 74, sees another 10 or 15 years of work ahead of him before he will be willing to say his job is done.

He has performed an invaluable service to history and his feat evokes similar suggestions to others.

Nebraska is interlaced with early day trails whose traces still remain for the initiated, but are forgotten things to most.

There could be no more worthy historical service than the identification and marking of those trails—that is, before it is too late.

Nebraska greatly needs a figure in the image of Wyoming's L. Clark Bishop, and needs one in every community. The basic information is well preserved in the files of the Nebraska State Historical Society and it would be deeply interesting to see such ancient thoroughfares as the Military Road, the St. DeRoin trail and so many others in this vicinity come to life again, if only in the form of well marked routes. We would learn a great deal more about ourselves and our forbearers if it were to be.

Nothing To Cheer About

The Department of Agriculture seems to have found some figures which give a cheerful aspect to farming. During this election year they will provide the basis for any number of campaign speeches on the part of those who feel it incumbent to get around the critical farm audiences without being hung in effigy.

The department says the 1959 farm income situation was not as bad as described. If the income is put on a basis of hours worked then the farmer averaged $1.269 an hour in 1959. By similar computation the farmer only earned $1.03 an hour in 1949 and 26 cents an hour in 1939.

Such figures are only an invitation to foolish thinking. They would indicate that if a farmer were operating in the black in 1939 at 26 cents an hour he should now be taking 5 times that profit because he has a statistical wage scale of $1.269 an hour. But the whole structure of such pseudo logic collapses the moment a farmer examines his bank account, if any.

It is fallacious as it would be to say that a merchant is doing well because he is getting a 50 per cent markup on his items where he used to get 30 per cent. Perhaps he would be if he were selling as many items as ever with no increase in his overhead. But suppose despite his higher mark up he was doing a smaller dollar volume with a much heavier investment? Instead of doing better he could be going broke.

The figures also fail to make clear another important factor. Mechanization has reduced the number of man hours of work per acre and would have the statistical effect of raising the farmer's hourly rate. But the figures do not specify that the machine which replaced man hours cost money, which, if deducted from hourly rates instead of added to operation costs, would knock these rate studies into a cocked hat.

All of which is a long way around saying that these hourly rate discoveries will contribute nothing to solving the farm problem.

Postal Fiasco

The general public might well have a hard time understanding the actions of officials in Washington in connection with appropriations for the Post Office Department. The first peculiarity shows up in the action of the House where the postal appropriation was slashed $82 million but orders given for improvement of the free mailing service of senators and congressmen.

Seems as though the lawmakers want to go into the wholesale mailing business and what better way to do it than have the Post Office Department handle and deliver all the mail, not only for free, but without the added inconvenience and trouble for the sender of addressing the mail? The nation's legislators simply want to load the department up with such "valuable" things as their speeches and have the department deliver a copy to every household within the speaker's district.

This is getting ridiculous and would be a big and unnecessary headache for the department. For one thing, there are very few people who want to get a copy of their congressman's latest speech. Secondly, the scheme is nothing more than a cheap way of running a political campaign. It is most surprising that the idea was not denounced on the floor of the House by some honest-minded representative but if it was, it was not reported by the wire services.

Just about as bad is the threat of the postmaster general Arthur Summerfield, to cut postal service to the people if the slash in requested appropriations is made. First of all, Summerfield should recognize the fact that the appropriation of money is the responsibility of the House and Senate and they cannot delegate this responsibility as they would do if they accepted every requested money item as it was submitted. Secondly, Summerfield should know by now that a threat is the surest way known of having your funds cut.

DREW PEARSON

Missile Failures Hurt U.S. Prestige

WASHINGTON — President Eisenhower was really peeved when his chief of U.S. Information George V. Allen — no relation to his golfing partner—stated publicly that U.S. missile failures had hurt American prestige round the world. Ike undertook to deny this at a press conference.

However, a recent issue of the Italian weekly newspaper "Candido," published in Milan, and part of the Rizzoli chain of newspapers and magazines in a country very friendly to the United States, supports Allen, not Ike. A recent series of cartoons, captioned "Missil-USA," gives the United States a none too gentle ribbing over missile failures.

One cartoon shows a school of fish near the bottom of the sea with the caption, "Quick! Go in the cave! The Americans are again aiming for the moon!"

Another cartoon shows a giant American missile heading down into the ocean. Two American officers standing near by remark, "After all, it is not so bad except for the small difficulty that it always goes in the wrong direction."

☆ ☆ ☆

Adlai Stevenson and Sen. Jack Kennedy have reached an informal secret understanding to help each other at the Democratic convention:

For six months Stevenson's former campaign aide, Hy Raskin, has been trying to work out a deal between the two. Raskin proposed that Stevenson help Kennedy for president in the early rounds. Then if Kennedy failed to win the nomination, he would throw his support to Stevenson for president. If Kennedy should be the nominee, he would select Stevenson as his secretary of state, if victorious in November.

On the other hand, if Kennedy failed, then he would agree to run as Stevenson's vice president.

Raskin finally brought the pair together for a secret huddle just before Stevenson's departure for South America. They did not agree to the cut-and-dried deal Raskin proposed. But Stevenson and Kennedy promised to help each other within limits. As a result, several key Stevenson men are already working quietly for Kennedy in the Wisconsin primary. This is a blow to Senator Humphrey of Minnesota, who counted heavily upon Stevenson's support.

Maine Democrats See Strong Slate

WASHINGTON — Democrats are halfway toward a strong ticket for the first election in which Maine will choose its statewide officials at the same time that it votes for president.

Rep. Frank Coffin, who teamed with the present senator, Edmund Muskie, to produce the recent Democratic revolution in what had long been a Republican citadel, has announced that he will run for governor this fall. But the woman on whom the party depends to make the race against Senator Margaret Chase Smith is taking her own time about the decision.

She is Lucia Cormier, a former schoolteacher and present operator of a book store. She is now the minority leader of the House in the Maine legislature. This post represents rather unusual political generosity, since better than a third of the Maine House is Democratic.

Miss Cormier is 48 and judiciously described by her friends as attractive in a matronly kind of way. She is a French Catholic, which means that she again, in a sense, is spokesman for one-third of a total. Politicians estimate that a third of Maine's voters spring from just such an ethnic and religious background.

☆ ☆ ☆

Senator Smith, running for her third term, is older than Miss Cormier, but her handsome slenderness has suffered no change since she moved over to the Senate from the House in January, 1949. She can point to membership on three of the Senate's most powerful committees — Appropriations, Armed Services and Aeronautical and Space Sciences —and she is proud of virtually never missing a roll call.

Mrs. Smith herself decides on how she can best serve her state and country by her vote on those roll calls—an exhibition of independence which some of the more orthodox Republicans find tiresome. She has not neglected her home fences, however, according to her supporters, and they profess no doubt about her success against Miss Cormier or anyone else.

Democrats insist that Miss Cormier will be formidable and has a good chance to prevail. They expect her to say yes sometime this week: in fact, they will be in a fix if she doesn't, as they are banking on her.

☆ ☆ ☆

Coffin can be described as a brilliant young liberal with rather more justification than most for many reasons, including a summa cum laude from Bates College and a cum laude from Harvard Law School. Had not the Democratic governor died who was elected on the ticket with Senator Muskie in 1958, it is probable that Coffin would choose to make his career in the Congress.

But the president of the Maine Senate succeeds a deceased governor, and Republican John H. Reed took over and is running for governor in his own right this fall. This made it necessary for Democrats to name a strong man, and Coffin was indicated.

Maine Republicans have a two-to-one advantage in registration which, with the turnout of a presidential election, should prove helpful to their governor and senator. It was nonetheless Democrats who pressed for years to hold the statewide and presidential elections simultaneously: they still think it will help them materially to get out their vote.

A Smith-Cormier battle will get headlines: in fact, it is already being billed by the staid Wall Street Journal as an "all-female combat."

JOSEPH G. MOLNER, M.D.

To Your Good Health

"Dear Doctor: May I add my bit to your article about 'moderation can slow up people who can't relax'? It seems to me that our wonderful way of life, which is superior to the rest of the world, is a double-edged sword. While we have so many advantages as a result of it, we also have a bad byproduct: Tension. Competition is what makes our country so wonderful, but it also extracts a toll on people—emotionally.

Dr. Molner

"I've heard references to it, but not enough: We must stress the human values more.

"Ironically enough, I am a working wife and mother of four children. I work to supplement our income, in order to share in our wonderful way of life, but I have a very relaxed personality, too. It can be done!

"Despite our more than adequate income, we don't have a new car, new home, new furniture, etc. We have these things only on a moderate basis—and no bills.

"If people would start accepting their own individual worth, they wouldn't have this mad pressure on them to 'get ahead of the Joneses', or at least keep up with them.

"It's time we made the Joneses a symbol of tranquility and adequacy rather than one of insane and inane competition. Yours for making serenity a point of competition.—Mrs. S.H."

The foregoing letter from a reader is worthy of consideration. In a way, I'm not sure that it hits everything right on the head—but it comes close.

That is to say, I don't think competition is necessarily accompanied by tension—not to a harmful degree. What causes the tension (or so I suspect) is letting normal, healthy competition turn into an obsession. Keeping up with the Joneses, if you like, and trying to get ahead of them!

Healthy competition is fine. It keeps us lively. But—and here's the difference—fretting, worrying and stewing over coming in second is something else.

Mrs. S.H.'s letter is a sane and reasonable one. I don't know when I've seen a better piece of advice than that closing one: "It's time we made the Joneses a symbol of tranquility and adequacy rather than one of insane and inane competition."

That is really sound thinking.

☆ ☆ ☆

"Dear Dr. Molner: I have facial neuralgia. The doctor thought if I had a goitre removed, which I did last year, it might help. So far it hasn't done a thing. Do you know any cure, other than cutting the nerve? — Mrs. D."

There is still alcohol injection, to deaden the nerve, instead of cutting it. In time the injection wears off. However, sometimes by that time the neuralgia has been relieved.

Dr. Dr. Molner: Could rheumatic fever affect any other part of the body besides the heart?—W.W."

Yes. The outer lining of the heart, the brain (producing St. Vitus dance, although this seems to clear up automatically after a few years) or the kidneys. However, none of these is long-lasting, as is the damage to the valves of the heart.

☆ ☆ ☆

Note to I.S.: Bruising is NOT an early sign of leukemia. By the time that occurs (or, more precisely, hemorrhaging) other signs have become unmistakably clear. So put at least that one worry out of your mind.

☆ ☆ ☆

"Dear Doctor: Is it harmful to lie down after a meal? —R.S."

No. It's a good idea. It's the exact opposite of the bad American habit of "eating on the run." If you can find the time, lie down. Most of us can't. But at least, relax and let your digestion operate unencumbered by hustle, hurry and worry.

☆ ☆ ☆

A.W.S.: Even with older people, use of some of the moderately new drugs will do a great deal to relieve and sometimes prevent epileptic seizures. The correct drug must be chosen for a case, as there are nearly half a dozen with different properties.

Dr. Molner welcomes all reader mail, but regrets that, due to the tremendous volume received daily, he is unable to answer individual letters. Readers' questions are incorporated in his column whenever possible.

Your Four Cents Worth

Brevity in letters is requested, but length in itself will have no bearing on publication. Writers are advised that needless detail and repetitious matter will be edited out of letters. Too frequent contributions from one person on the same subject may be rejected. All letters must be accompanied by writer's true name, but may be submitted for publication under a pen name or initials. However, letters will be printed under a pen name or initials only at the editor's discretion.

Fashion Dictates

Friend, Neb.

Occasionally you tell the menfolk how to dress and how not to dress. Your latest editorial was very good with a few exceptions.

I have seen a lot of men with their pants on without their shirts. They put their shirts on after they shave. You said we should not put our shoes on until we have slipped into our pants. But I frequently put on my shoes before I do my pants and have no difficulty. Of course, I wear only a 7½ shoe. I never take off my shoes to change my pants unless I wish to change from brown to black shoes.

You wrote a paragraph containing the joke about buttoning up your vest. To observe how a man buttons up his vest "if you can find a man who still wears one), you will see he buttons it down. I can show you a man who wears a vest if he will stay in one place long enough. Right now he is in South America — President Eisenhower.

Last fall you wrote: "You would not wear a double-breasted suit or jacket, as they are not stylish." But that same week I saw on TV ex-Presidents Hoover and Truman wearing double-breasted coats; also a member of the English royal family, Harvey Firestone and the president of New York City's largest producers of men's wearing apparel. So if the "big men" can wear this type suit, so can I and feel in style.

Sledding Fun

Lincoln, Neb.

After reading the many articles in The Star lately concerning the City of Lincoln vs. The Snow Problem on our streets, I thought it would be a refreshing change to compliment the city for providing us with a new sledding facility located at Pioneers Park. During the past weeks of beautiful snowfall, I as well as many other Lincolnites have had the opportunity with our children to use this new change-of-pace form of entertainment and have enjoyed it very much.

TED SHEPHERD

☆ ☆ ☆

Proud, Proud, Proud

Lincoln, Neb.

There has long been a need to recognize the great cultural achievements of our state capital and we wish to commend Mrs. Dee Raible for her eloquent (even poetic) letter. We believe that Mrs. Raible will approve of the rubble of derogation which has too long covered our fair city shall be replaced by lilies of approval.

Not only do we subscribe with "amen" to the "hosanna" concerning the cultural opportunities of Lincoln, but we should like to point (with pride, of course) to the urban beauties which make Lincoln a carbuncle on the plain. Let us mention only the soft pastel flanks of our new National Bank of Commerce building, the Praxitelian grace of the bas-relief on the Woodmen Insurance building, the noble boulevard which stretches from the Capitol building to the State Historical Society (which some perceptive outsiders have likened to the Champ Elysees), and finally our auditorium whose audacious solidity bids fair to outlast even the great pyramids of Cheops. We are proud of Mrs. Raible; we are proud of Lincoln; we are proud of ourselves.

CITIZENS OF THE OASIS

Training Our Young

McCook, Neb.

I have been reminded of my grandparents' words:

"We are being placed too much in age groups. Some day no one will know how to treat others of different ages, nor will they understand anytime except their own desires."

"They do not get the milk of human kindness from cows. It is nursed from the mother's breast. If mothers refuse their babies this, some day there will be no human kindness.

These words were spoken over 20 years ago and sounded so fantastic at the time, but I have begun to wonder since reading and hearing of the many inhuman acts such as parents beating infants for discipline, mothers smothering their babies because they got tired of hearing them cry, mothers giving babies away because they didn't like to wash dirty diapers, infants found in trash cans, etc.

The excuses given are very unstable and childish, but what could cause adults to do such wretched things? Not the little ones; they are too small and innocent. Could it be fear, anger, selfishness? These are terrible and evil things and if let go, will end in disaster usually for the innocent. We criticize and condemn because we think of adults as being capable of accepting some dislikes and controlling their emotions. But can they if they have never been taught or trained from the time they were very little? How can a mother perform her real duties of training her young if she insists on being away from them seven to 11 hours a day?

DOROTHEY WRIGHT

Thank You

Omaha, Neb.

Our thanks for generously giving time and space to publicity for the 1959 Christmas Seal sale in Nebraska. The Star's willingness to help is truly appreciated. The Star was most helpful in using materials furnished both by the Nebraska Tuberculosis Association and the local tuberculosis organization. It is impossible to measure the far-reaching results of such assistance. Every fact explained about tuberculosis increases public understanding of the disease. Progress is possible through education of the people, and these messages make an important and influential contribution to this education.

OFF THE RECORD By Ed. Reed

"I'd like breakfast served in my room and someone to come up and fix my telephone."

Cunningham Seeks House Re-Election

. . . DEMOS FILE FOR STATE POSTS

Two Democrats tossed their hats in the political ring Wednesday seeking nomination to Statehouse offices, and Rep. Glenn Cunningham filed for the GOP nomination to a 3rd term as Nebraska's Second District congressman.

These were among the filings received at the Secretary of State's office along with 3 candidates for the Legislature, 4 aspirants as delegates to the Democratic national convention, and two candidates for district judgeships.

Charles F. Broderick of Omaha, 35-year-old payroll auditor for an insurance firm, filed as a candidate for the Democratic nomination for state auditor.

His is the first Democratic filing for the post now held by Republican Ray C. Johnson who has filed for re-election.

Nelson Files

Neil Nelson, 35-year-old Lincoln trucking firm manager, filed as a candidate for the Democratic nomination as state railway commissioner.

The post is now held by Republican Richard H. Larson who has filed for re-election.

Filings for the Legislature included H. L. Gerhart of Newman Grove, candidate for the 15th District post being vacated by Sen. David Tews of Norfolk; Richard Dworak of Omaha, candidate for the 9th District post held by Sen. Michael Russillio who has announced he will file, and Sen. Richard Marvel of Hastings, who had previously announced he would seek re-election from the 31st Dist.

Candidates for delegates to the Democratic national convention include Edwin J. Finigan of Lincoln, delegate at large Otto Bogner of Crofton, delegate from the 3rd Congressional District, and John Kissack of Scottsbluff, delegate from the 4th Congressional District.

Delegate Filing

Hans J. Holtorf Jr. of Gering also filed as a candidate for Democratic delegate, but the Secretary of State's office has written asking for clarification on whether he seeks the post as delegate at large, or 4th District delegate.

William H. Kirwin of Scottsbluff, filed as a candidate for the 17th Judicial District judgeship.

Richard M. Van Steenberg, the present judge in this district, had filed as a candidate, but withdrew from the race earlier this week.

Carl E. Willard of Grand Island filed for the 11th Judicial District judgeship.

Union Affiliation Ballot Slated By Lincoln Meatmen

Meat cutters, butchers and their helpers in Lincoln's 3 O. P. Skaggs grocery stores will decide March 3 whether they will become affiliated with the Amalgamated Meat Cutters and Butcher Workmen of North America (AFL-CIO).

The National Labor Relations Board will conduct the election. William Cassidy of Minneapolis will represent the NLRB.

About 20 workers will participate in the balloting, according to Tom Lane, international representative of the union which has about 360,000 members in the U.S.

If the local meat workers approve joining the union, they would become members of District Local 271 headquartered in Omaha.

Lane said that observers from the union and the grocery company would watch the election, as federal law provides.

Students Agree: MTNA Auditions 'Good Experience'

"It was good experience." That was the consensus of two Lincoln high school youths who represented Nebraska in piano auditions at the west-central division of the Music Teachers National Assn. convention in Wichita.

Auditioning were Joan Knox of Pius X High School and Vincent R. DiFiore of Southeast High School. Both were finalists last December in Nebraska auditions at Boys Town.

Miss Knox, daughter of Mr. and Mrs. Frank Knox of 3811 B, played Bach's "Prelude and Fugue in B Flat" and Chopin's "Scherzo in C Sharp Minor."

DiFiore, son of Mr. and Mrs. Vincent J. DiFiore of 3440 Lake, played the first movements from Bach's "Italian Concerto" and Schumann's "Sonata in F Minor."

Prosecutor Says Dr. Finch Hoped To Solve All His Problems With 'One Shot In Back'

Los Angeles (AP) — The prosecution closed its final arguments in the Finch murder trial with these claims:

1. Dr. R. Bernard Finch and Carole Tregoff hoped to solve all their problems, financial and romantic, with "one shot in the back" — the back of the doctor's socialite wife.

2. A single piece of evidence — an envelope containing talcum powder for a surgeon's gloves—destroys the entire defense of the wealthy physician and his pretty paramour.

3. The defendants carefully plotted the murder of Barbara Jean Finch, but forgot one thing: how to explain it if they were caught.

Prosecutor Clifford Crail, winding up a scathing attack with a demand for first degree murder convictions, said the handsome surgeon and his mistress were desperate because his wife stood to gain his wealth via divorce, ruining him.

The shot in the back, he said, took care of that: "No scandal, no divorce, no property settlement, no alimony, no delay in getting married, and a substantial sum of $25,000 from the insurance company."

Finch and Miss Tregoff are accused of coldly plotting the murder of Mrs. Finch at her home in suburban West Covina the night of last July 18.

The prosecution claims their plan was to kill her and make it look accidental, and when this plan went awry they hoped to make it look like a robber's work.

The doctor says he shot his wife accidentally during a struggle for a gun she pulled when he and Miss Tregoff went to talk to her about her divorce plans.

Crail, making a surprise claim, said the envelope of talcum powder destroys the "fantastic string of events" on which the doctor based his defense—"it leaves nothing of his story."

The envelope was in a package containing a pair of surgeon's gloves. The package was in an attache case found at the slaying scene. the prosecution calls the case a "murder kit."

The gloves were torn. The doctor said they were ripped when he used them to tease the family dog — blowing them up like balloons—while he awaited his wife's arrival. Crail said he wore the gloves to hide his fingerprints when he attacked his wife and they were torn as he fought her.

Talcum is used to dust the hands before donning surgical gloves.

Crail said the talcum envelope was torn open — indicating the doctor had not used the gloves to play with the dog but to hide his prints.

This fact, he said, destroys all the reasons the doctor gave for bringing the so-called murder kit to the scene.

"Let these gentlmen (Finch and his attorney, Grant Cooper) explain," Crail said, "why a finger from one of the gloves was found on the floorboard of the automobile (from which Mrs. Finch fled shortly before she died). Was he playing with the dog on the floor of the autmobile?"

Crail said that after the defendants were arrested they found it impossible to reasonably explain: 1. A pistol bullet fired at close range into Mrs. Finch's back, and 2. Why Miss Tregoff brought the attache case to the scene.

Miss Tregoff, Crail alleged, seeks safety by hiding behind a faulty memory."

Of the doctor's story that he panicked, Crail said:

He was "not a stranger to death," but a man trained not to panic.

"You know," Crail told the jury, "it's pretty difficult after 7 months to explain why you shot a woman in the back at close range while she was running away from you. That takes a lot of doing —and it's beyond him."

The state charges that the couple planned to fake an automobile crash to make the death of the doctor's wife look like an accident.

But when Mrs. Finch ran away, Crail said, the doctor followed and shot her, then took her wrist watch and purse in an effort to make it look like a robbery.

On Paris buslines, passengers are free to open or close windows. In case of a disagreement, passengers who want shut windows are given first preference.

OH, MY ACHING BACK

Now! You can get the fast relief you need from nagging backache, headache and muscular aches and pains that often cause restless nights and miserable tired-out feelings. When these discomforts come on with over-exertion or stress and strain —you want relief—want it fast! Another disturbance may be mild bladder irritation following wrong food and drink—often setting up a restless uncomfortable feeling.

Doan's Pills work fast in 3 separate ways: 1. by speedy pain-relieving action to ease torment of nagging backache, headaches, muscular aches and pains. 2. by soothing effect on bladder irritation. 3. by mild diuretic action tending to increase output of the 15 miles of kidney tubes.

Enjoy a good night's sleep and the same happy relief millions have for over 60 years. New, large size saves money. Get Doan's Pills today!

40 Ag College Students Cited Scholastically

Forty University of Nebraska students were recognized here Wednesday night for outstanding scholastic achievement by the Nebraska chapter of Gamma Sigma Delta, national agricultural honorary.

The sophomore and junior students at the College of Agriculture were guests of honor at the Nebraska chapter's annual scholarship recognition dinner at the Nebraska Union.

Two students tied for the award. Identical awards went to juniors Donald D. Olson, Waverly and Larry Williams, Hickman for compiling highest scholastic marks during their sophomore years.

Prof. William E. Hall of the Department of Educational Psychology and Measurements at the University of Nebraska, spoke on "Marks of the Student."

Junior students honored:

Donald Olson, Waverly; Larry Williams, Hickman; Francis McCamley, Kearney; Stanley Farlin, Springview; Richard Frahm, Lyman; Donley Henning, Hallam; Roy Smith, Plattsmouth; Gary Hergenrader, Gering; Ronald McKeever, Wymore; Merlin Erickson, Oakland; John Chittick, Pawnee City; Gary Vencill, North Platte; David Whitney, Humboldt; Fernando Lagos, Buenos Aires, Argentina; Richard Rueter, Murdock; Donald Epp, Lincoln; David E. Armstrong, Clearwater; Archie Clegg, Gothenburg; Dean Biere, Nebraska City; and Donald Miles, Oconto.

Sophomores honored:

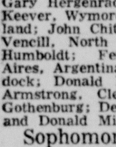

Roy Arnold, Tekamah; Richard Jensen, Lincoln; Deon Stuthman, West Point; John Oeltjen, Palmer; John Zauha, Lexington; Leross Holcomb, Chambers; John Lanz, Milford; Daniel Wehrbein, Plattsmouth; Henry Beel, Johnstown; Daryl Starr, Stapleton; George Ahlschwede, Crete; John Kuhr, Blair; Mylon Filkins, Brunswick; Donald Bruegman, Bloomfield; Neil Grothen, Hastings; James Greer, Alvo; Maurice Wiese, Dodge; Ali Akbar Al-Tindmi, Hindia, Iraq; Elliott Jagles, Davenport; and Kahtan Abba Al-Yasiri, Hindia, Iraq.

Pair Fined $688 On Traffic Charges

Humboldt, Neb. (UPI) — Two Lincoln brothers have been fined a total of $688 after conviction on traffic charges and charges of resisting and failing to obey an officer.

The men, Dwight Mills, 22, and John J. Mills, 29, are in the Richardson County Jail at Falls City, pending payment of the fines.

PILES ?

NEW TABLET GIVES VICTIMS REAL RELIEF

Now, men and women sufferers from simple piles and hemorrhoids are discovering a wonderful new way to enjoy safe, deep comforting relief. They simply swallow amazing PILE-AIDS tablets.

SAFE HERBS & ROOTS

No surgeon's knife. No unpleasant suppositories nor messy salves. No injections. Amazing PILE-AIDS, largely an imported herbal compound, speeds to work internally where many doctors believe most pile troubles start.

What do doctors think of PILE-AIDS? Frankly, to date few doctors in this country have had the opportunity to evaluate them. Thus there is a lack of a consensus of scientific opinion. However, many doctors who have tested the formula now recommend it. In fact, one doctor who suffered from piles tested it on himself and wrote a flattering testimonial.

PILE-AIDS soothes and give palliative relief even in harsh, stubborn conditions of from ten to twenty years duration that have resisted other local treatments. Relieve piles symptoms with an oral tablet? Does this sound too good to be true? Here's our no-risk offer. Buy inexpensive PILE-AIDS. Take as directed and you be the judge. Money back if you are not satisfied. 70 Tablets — $4.95 140 Tablets — $7.50

Call in person or order by mail

Beet Growers Accept '60 Contract

Denver (AP) — A 1960 purchase contract offered by the Great Western Sugar Co. has been accepted by directors of beet growers' associations in Nebraska, Colorado, Wyoming and Montana.

Frank A. Kemp, president of the sugar firm, said the price per ton paid by the company will continue on the same sliding scale basis as in the past years as determined by sugar content of the beets and the final net return from sugar sold.

A provision to prevent further acceleration of the harvest under normal conditions in order to realize the highest production of sugar per acre also was agreed upon.

The price of segmented beet seed will continue at 53 cents a pound. Monogerm seed, available for about one-fourth of the prospective acreage, will be priced at 70 cents a pound.

Grower and company committees will be appointed to work out recommendations on any changes in beet receiving facilities deemed necessary prior to the 1960 harvest.

Thirty-five grower directors attended the two-day sessions. Melvin Bennett of Gering, Neb., president of the Nebraska Non-Stock Cooperative Beet Growers Assn., was spokesman for the group.

Zersen To Attend National Meeting

Ben Zersen, safety engineer for the Nebraska Department of Labor, will attend the President's Conference on Occupational Safety March 1-3 in Washington, D.C., officials announced Wednesday.

The conference will bring together more than 3,000 leaders from American industry, labor, agriculture, federal, state and local governments, insurance, education, health and private safety organization.

The purpose is to devise and then apply voluntary, cooperative means for reducing the 13,300 deaths and nearly two million disabling injuries occurring annually because of on-the-job accidents.

Zersen, formerly of North Platte, has had four years experience with state industrial safety problems, and has been state safety engineer since September, 1959.

3 NEW YOUNG GOP CLUBS ARE FORMED

Three new Young Republican clubs have been formed on Nebraska college campuses, state Young Republican co-chairman Connie Roeser announced Wednesday.

Organizations have been formed at Midland and Hastings Colleges and Creighton University, she said. Chairmen include Al Beerman at Midland, John Martin at Hastings and Donald Boe Jr. at Creighton.

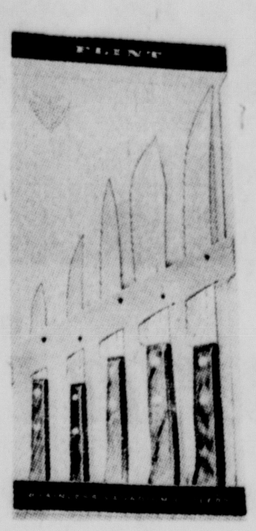

An organizational drive sponsored by the University of Nebraska Young Republican Club with Bob Austin of Hastings as chairman is now under way, Mrs. Roeser said.

CIA Chief's 'Missile Gap' Testimony Draws Split Reaction

Washington (AP) — Hours of secret testiomny by Allen W. Dulles Wednesday failed to bring agreement among Democratic and Republican senators on whether the United States is catching up with Russia in the missile field.

Dulles, director of the Central Intelligence Agency, made a return appearance before the Senate space and preparedness subcommittees in their prolonged inquiry into the "missile gap." Senator Lyndon B. Johnson (D-Tex), chairman of both subcommittees said some new material was presented "but I could not say the confusion has been clarified."

"It is amazing how difficult it is to get a simple statement of facts," he added.

Sen. Sturat Symington (D-Mo) said Dulles' testimony "confirms the fact there is no justification for . . . reduction of the gap ratio." Russia was estimated last year to have a 3 to 1 lead over the United States in the missile race

However, two Republicans, Sens. Leverett Saltonstall of Massachusetts and Clifford Case of New Jersey, joined in saying Dulles had removed all confusion.

Saltonstall said Dulles' testimony removed possible inconsistencies between previous statements by Dulles and by Gen. Nathan F. Twining, chairman of the Joint Chiefs of Staff.

Center of the controversy is testimony by Twining and Secretary of Defense Thomas S. Gates Jr. that recent intelligence estimates indicated the missile gap had been narrowed this year compared to last.

After Dulles testified the first time, some senators said the picture he painted was not nearly so bright, although they didn't disclose what Dulles actually said.

Charts Unviewed

Twining also startled members of the subcommittees in followup testimony by saying that he never had seen certain missile charts presented by Dulles.

Case said the confusion resulted from a different system of presenting estimates of Soviet-U.S. missile strength this year.

"In my opinion," Case said, "Mr. Dulles has never been confused in his testimony or confused anybody."

Newman Club Selects Officers

Patrick Henry of Omaha has been elected president of the University of Nebraska Newman Club.

Other new officers are Mary Stastny of Lincoln, vice president; Dorothy Sedlak of Clarkson, recording secretary; Paul Herman of Wilber, treasurer; Patricia Ostdiek of Lawrence, corresponding secretary, and Colleen Woulf of Lincoln, alumni secretary.

The Most Rev. James V. Casey, bishop of the Catholic diocese of Lincoln, was awarded membership into the John Henry Cardinal Newman Honor Society in special recognition ceremonies.

Missile Exec Gives Up Post To Push For Defense Stepup

New York (AP) — Thomas G. Lanphier Jr. has tossed away his $60,000 a year job in the missile industry to join those demanding that President Eisenhower increase the nation's budget for missiles and bombers.

"I think our country is in trouble," Lanphier said in explaining he resigned his vice-presidency so he could criticize without embarrassing his employer, the Convair Division of the General Dynamics Corp. Convair holds huge defense contracts for planes and missiles, including the Atlas, America's only operational intercontinental ballistic missile.

Lanphier's sharp public comments in recent weeks have made his company officials increasingly nervous. He supports the views expressed by some generals and Democratic leaders that Eisenhower's efforts to balance the budget are strangling the country's defense.

Ex-Aide To Stu

Lanphier, a Republican and World War II war hero, is a former special assistant to Sen. Stuart Symington (D-Mo) when the latter was Air Force Secretary. Symington, an undeclared presidential candidate, has been a sharp critic of the President's defense policies.

Asked about this political point, the executive praised Symington as the man who has done the most homework on defense matters, and said he would do everything he could to help him.

GOP Views Aired

Lanphier was quickly taken to task by two Republican Senators. Of his resignation, Sen. Francis Case (R-SD), a member of the Armed Services Committee, took the Senate floor to say:

"It's high time."

Sen. Hugh Scott (R-Pa) said it was time that those advocating increases in certain munitions should "disassociate themselves from the munitions makers and the Defense Department."

Lanphier defended his action by asserting that "if I think we're going to get the hell knocked out of us I might as well say so, before we do."

Nikita Confident

He said he believes Premier Khrushchev of Russia has "a positive idea that the balance of power is in his favor." This country had better get busy and show him otherwise, Lanphier asserted.

Calling for maintenance of a huge array of armed bombers in the air at all times, Lanphier said this would prevent the possibility of a major portion of our defense power being knocked out on the ground by an intercontinental missile attack.

(President Eisenhower has specifically turned down this air alert as costly and unnecessary.)

Lanphier said he has no other job in mind at the moment. He has returned to his San Diego home to prepare articles and speeches.

Supt. Ferguson Dies At Curtis; Rites Thursday

Curtis — Funeral services for Gerald D. Ferguson, 53, superintendent of schools at Curtis, will be at 11 a.m. today at the Congregational Church in Curtis.

Supt. Ferguson

Supt. Ferguson died unexpectedly Monday night at his home of a heart attack. He had been a resident of Curtis for the past 11 years.

Surviving are his wife, Margaret; daughter, Mrs. Mary Margaret Orman of Sidney; sons, Gerald Jr. of Fort Collins, Colo.; and, Robert of Holstein; his mother, Mrs. Mary Ferguson of Walton, Kan.; two brothers and 4 grandchildren.

Moon Surveyors Look For Best Landing Spot

Washington (AP) — Government geologists have begun a detailed study of the moon's surface. The idea is to find the best place for the first landing by a man and to help him survive.

Dr. Arnold C. Mason of the geological survey announced completion of the first phase of the study.

Southerners Gird For Filibuster

Washington (AP) — The Senate ground through another 12 hours of talk about civil rights Wednesday and the threat of 24-hour sessions and an all-out Southern filibuster grew despite a plea for tolerance.

The Senate recessed at 11:09 Wednesday and was ordered back into session at 10 Thursday morning, two hours ahead of the normal time.

Shortly before the recess, Sen. Lyndon B. Johnson (D-Tex), the majority leader, called for tolerance and understanding on both sides. He also vigorously defended the maneuver by which he bypassed a Southern-dominated committee and brought this explosive, election-year issue to the floor.

Johnson said he talked several times with Sen. James O. Eastland (D-Miss) chairman of the Judiciary Committee in an effort to get some kind of civil rights bill out of that committee.

Johnson said it was clear Eastland "is not about" to report such a bill "and we can stay here until doomsday" without getting such action.

He added the Senate had ample warning, sine last September, that another bill would be motioned up if that was the only course available and that no one was "tricked" or "outfoxed" by his use of the procedure he followed.

Sen. Richard B. Russell (D-Ga) said that beginning Thursday Southerners will not permit the Senate to transact any business requiring unanimous consent, a parliamentary device much used to speed senate work.

Russell said obstructive devices would be in order as retaliation for Johnson's call for around-the-clock sessions beginning Monday.

Holland Fearful

Washington (AP)—Sen. Spessard L. Holland (D-Fla) told Senate leaders that round-the-clock Senate sessions to wear down foes of civil rights legislation could cost the lives of some senators.

Officers Elected By Twin Parents

Mrs. E. J. Thompson was elected president of the Lincoln Twin Parents Club at a monthly meeting Wednesday night.

Other officers elected were Mrs. Lela Thompson, vice-president; Mrs. Olive Shurter, secretary; Mrs. George Chilen, treasurer; and Mrs. Marvin Hahn, corresponding secretary.

ANTONIO SEGNI
. . . Communist Benefit Foreseen

SEGNI QUITS

7th Italian Regime To Fall In 7 Years

Rome (UPI) — Christian Democratic Premier Antonio Segni resigned Wednesday in a political crisis precipitated by pressure for a government more to the left. It was the 7th Italian government to fall in 7 years.

The decision to quit was reached in a Cabinet meeting presided over by Segni. Segni then went directly to the presidential palace to hand the resignation of his minority government to President Giovanni Gronchi.

Gronchi did not officially accept the resignation, but said he "reserved" a decision. This followed the traditional form and Gronchi undoubtedly will accept Segni's resignation at a later date.

In the meantime, the President asked Segni and his cabinet to stay on as a "caretaker" government until a solution to the crisis can be found.

Seni, 69, had been in office a little more than a year. The toppling of his pro-Western regime threw Italy into a political crisis that observers feared will benefit only Italy's powerful Communist Party.

Group Pushes Enforcement

Washington (AP) — A white House committee headed by Vice President Nixon Wednesday launched a drive to give Negroes an equal chance for federal contract jobs.

The President's committee on government contracts unanimously adopted a program which Nixon said he believed has "a good chance of making a breakthrough."

The committee demanded a government crackdown to make contractors comply with the clauses, contained in all government contracts, banning job discrimination on account of race, color, creed or national origin.

Rabbi Says We 'Name' Ourselves

"A good name is better than precious oil or the finest of gold," Rabbi Samuel Mayerberg of Kansas City told an audience of Christians and Jews at the South Street Temple Wednesday evening.

Reviewing the significance of names in the Bible and theology, and names of famous men honored this month, the rabbi stressed that "although we think that people give us our names, we really name ourselves."

He recommended to his inter-faith audience that they "make their good names in their church or synagogue, where the qualities of dignity and reverence are abundant.

An hour long question session followed the speech, and Rabbi Mayerberg and Rabbi Wolfgang Hamburger answered questions on Judaism and Jewish life.

Big Real Estate Deal

Vienna (UPI)—The Hungarian communist regime has ordered the resale of 10,000 private apartment houses which it nationalized after seizing power in 1948, it was reported here. Hungarian newspapers said there is "lively purchasing interest" among residents in the houses going on sale.

Nicaraguan Rebels Booted By Guatemala

Guatemala (AP) — A band of 25 Nicaraguan rebels captured by Costa Rican troops last week-end was booted out of Guatemala and returned to El Salvador.

Costa Rica said the rebels, operating near the Nicaraguan frontier, violated Costa Rican neutrality.

Costa Rica deported the rebels to El Salvador which in turn deported them to Guatemala.

Indalecio Pastora, leader of the group, sought permission to cross Guatemala into Mexico. This was denied.

Avalanche Kills 2 French Skiers

Albertville, France (AP)— An Alpine avalanche of snow buried a party of 8 young French skiers near here. Two were killed. The rest escaped without serious injury.

'59 'One Of Best Years' For Norris Public Power

The year 1959 was one of the best in the history of the Norris Public Power District, Lester Trussell, general manager, said in his annual report Wednesday.

The Norris District was organized 26 years ago last August.

Trussell said kilowatt hour sales increased 17 per cent, resulting in a 10 per cent increase in gross revenue. Retail customers paid 1 cent per kilowatt hour less in 1959 than they were paying in 1949. Wholesale power costs were 2.5 miles less in 1959 than in 1949.

The increased uses of electricity and the fact the district was serving more large, concentrated loads resulted in cheaper power costs to all of Norris' customers, Trussell said.

The Norris District has 28 homes heated entirely with electricity.

Farm Service Down

The report also noted that there was a continuous decrease in the number of farm homes. Norris' service to farm customers in Lancaster, Gage, Saline, Jefferson and Thayer Counties was reduced by 95 during the past year.

If farmers are to continue to receive the advantage of low-cost electricity, the Norris District will have to replace the farm market with commercial and industrial loads, Trussell said.

Since 1952, the Norris District has lost 1,502 farm customers in Lancaster, Gage, Saline and Thayer Counties due to small farms being consolidated into larger operations, he said.

Weeping Kids

Culpeper, Va. (AP)—A second grader caused every kid in school here to weep. A tear gas bomb he had found and brought to school exploded.

Minister Urges Full Use Of Time

The Rev. Alva W. Clark of Omaha told Nebraska Wesleyan University students Wednesday they should make total use of their time, energies and abilities to accomplish God's purposes and achieve worthy inter-personal relations.

Minister of St. Paul Methodist Church in Omaha, Dr. Clark spoke at a chapel service.

He suggested that Christian students participate actively in groups whose influence can help accomplish idealistic goals.

He urged students also to take advantage of the fellowship of the church to keep alive concern for fellow men, to work within the framework of a happy Christian home to accomplish worthy goals, and to recognize that differences among groups in society enable culture to remain dynamic and are "God-given ways whereby we may arrive closer to truth."

Family Features

Dear Abby--

Abigail Van Buren

DEAR ABBY: I have been married to Sam for nine years. We have four children, which is the reason why I am still married to him. He started to chase the first year we were married. I told my mother and she said. "Pay no attention to it. Let him get it out of his system."

After nine years, he still has as much in his system as ever. Does a man ever get it all out of his system?

TIRED OF WAITING

DEAR TIRED: Tell him in no uncertain terms that you love him, don't want to share him, will not put up with it—THEN see what else he has in his system.

☆ ☆ ☆

DEAR ABBY: I am so mad the tears are blinding me as I write this. My brother Ed is marrying a girl he's gone with for a long time. They asked our older brother Paul to be best man. Paul was injured in the war and is in a wheel chair.

The wedding is a week away. All the tuxedos are rented. Yesterday the bride told Ed that she changed her mind about having Paul for best man and she wants him to ask somebody else. She says she doesn't want Paul coming down the aisle in a wheel chair because she's afraid everybody will be looking at Paul and not at her.

Ed hasn't the heart to tell Paul he can't be best man. The bride won't give in and her parents are backing her up. What should we do about this mess?

SISTER OF ED AND PAUL

DEAR SISTER: This is strictly Ed's business. He alone will have to decide whether he cares enough for this girl to select another best man and break the news to his disabled brother. Perhaps the incident of the best man was the best thing that could have happened to the groom.

☆ ☆ ☆

DEAR ABBY: My problem is my married daughter. She has a nice husband. We also have a 15-year-old daughter who is in the 10th grade. She is a cheer leader and is very popular at school.

Whenever I buy my 15-year-old girl something and the married daughter sees it, she makes some remark like, "You never bought ME clothes like that." She doesn't realize that times were not so good then. It has gotten so that whenever we know the married daughter is coming over, we hide anything we bought for the 15-year-old. It doesn't do any good though, because she snoops through all the closets and drawers and finds it anyway.

I head that other mothers have had this trouble. Maybe you can help them and me, too, with a suitable solution.

NAMELESS

DEAR NAMELESS: Stop hiding things. You owe your married daughter no explanations or apologies. Simply tell her that you can afford more now than you could when she was fifteen.

☆ ☆ ☆

CONFIDENTIAL TO JOHN DOE: A person with an emotional problem has no way of knowing how serious it is until he goes to a psychiatrist. The fact that he has the intelligence to seek help is a credit to him. Too bad so many people prefer to go through life mixed up.

The bidding:

South	West	North	East
1 ♣	Pass	1 ♦	1 ♥
1 NT	Pass	3 NT	

Opening lead — five of hearts.

It is not often that declarer comes up with two unusual plays in the same hand to help make his contract, but here is a case where South did just that to insure three notrump.

West led a heart in response to his partner's overcall. Declarer resisted the temptation to play the queen from dummy and played the three instead. East followed with the six and South won with the ten.

It was a farsighted move on declarer's part. If he had played the queen, East, by ducking, would have made it practically impossible for South to make the contract.

Declarer then led the ten of diamonds at trick two, and when West played low, took a finesse against the missing jack. As it happened, the finesse succeeded and the ten held the trick.

Now the contract had become certain. After cashing the queen of diamonds, South led a low heart to the Q-J to establish an entry to dummy. East took the king, but his return made no difference. South was able to cash ten tricks — consisting of a spade, three hearts, five diamonds, and a club.

It should be noted that the unusual first round finesse of the ten of diamonds carried with it a guarantee to make the contract even if the finesse lost.

Let's suppose East had held the jack. He would have won the ten and returned either a spade or a club. Declarer could win either return and still make nine tricks.

He could overtake the queen of diamonds in dummy and cash four diamond tricks, after which he could lead a heart honor through East's king to produce a total of three heart tricks, thus giving him nine tricks.

Both of South's opening plays were tailored to assure the contract, regardless of how the adverse diamonds were divided. Declarer left nothing to chance. He made a sure thing out of a doubtful hand. Careless play would have led to defeat.

1960, King Features Syndicate, Inc.

Betrothal

Mr. and Mrs. Raymond Logsden announce the engagement and approaching marriage of their daughter, Patricia Ann, to Ray Miller, son of Mr. and Mrs. Arnold Miller of Tecumseh.

The wedding will be an event of June 5.

Mr. Miller is a former student at the University of Nebraska.

Celebration Begins

The first of a series of celebrations honoring the 80th birthday anniversary of George W. Holmes was held on Wednesday afternoon between 4 o'clock and 6 o'clock in the Lincoln Room at Hotel Cornhusker.

The guest list included only those who had been employes of the First National Bank for 20 years or more, and the bank officers.

In the picture, seated left to right, are Burnham Yates, Mr. Holmes and Mrs. Jane Dahlstrom.

Standing, left to right, Ruth Pfeif, C. C. Healey, Dean Baumeister, Cecil McConaughey and Max Schneider.

Mrs. Sheldon Takes A Tour

There are but a few people in Lincoln who will remember the first meeting of the Nebraska Art Association 70 years ago, but there are many who will remember its first meeting place—the old library which, with U Hall, has vanished from the campus scene. We have been told that the early membership included only a handful of men and women who were interested in bringing art to Lincoln and that the art discussion took place at evening coffees. The first exhibits also were held at the library buildings, and eventually were moved to Morrill Hall, where in the basement auditorium, the first Living Pictures were presented. The Beaux Arts balls, which in those days formally opened the Association's spring exhibit, were long remembered for originality and beauty of costume.

During its nearly three-quarters of a century of existence, the Nebraska Art Association has served as a focal point for art in Lincoln. It has inspired the professional artists, has encouraged the amateur artist, and has been an education for those who are neither artist nor amateur — merely devotees. Since the Association was founded for the purpose of exhibiting the works of contemporary artists it goes without saying that there have been many controversial opinions concerning some of the paintings that have been included in the exhibition showings.

In addition to the controversial opinions the Art Association has had another problem — the housing of its own permanent collection, and that of the University of Nebraska collection. Morrill Hall is running out of corridors.

But the Sheldon Art Museum, the gracious gift of the late Miss Frances Sheldon and her brother, the late Bromley Sheldon of Lexington, will be the answer not only in the matter of housing, but also one of background beauty for all of the works of art.

The Sheldon Art Museum probably will not be ready for occupancy until — well, let's say 1962, just to be on the safe side. But with so much to anticipate who minds waiting?

One member of the Sheldon family who is vitally interested in the new Art Museum, as well she should be, is Mrs. Bromley Sheldon who comes from Lexington on occasion to meet with the Art Association board, and to confer on plans and details of the Sheldon Museum.

We are particularly interested in Mrs. Sheldon's trip to New York City where she joined Norman Geske, director of the University of Nebraska Art Galleries, on a tour of the New York galleries. Mrs. Sheldon was impressed by the courtesies and the deference extended to Mr. Geske.

"He is greeted in such a friendly manner, generally by his first name," Mrs. Sheldon said, "and one soon realizes that his opinion is honored and greatly respected by the dealers. In one gallery he was consulted in regard to the genuineness of a dusty find that had been brought to the gallery for identification, and at another his opinion was asked as to whether he thought a certain contemporary artist was doing as fine work as he had done in previous years.

"Due to the purchase of so much fine art through the years in the building of the very exceptional collections of the Nebraska Art Association and the University of Nebraska, New York dealers are more than willing to lend their co-operation in making each year the Nebraska shows truly remarkable and outstanding. They do this by showing anything they have that they believe will be of merit or of particular worth to round out the collection of fine American art which eventually will be housed in the new Sheldon Gallery."

Among Mrs. Sheldon's vivid recollection of outstanding works at the various New York galleries were some which are to be presented at this year's Art Association show. One of the artists is Balcom Greene whose collection Mrs. Sheldon saw at the B. Schaeffer Gallery and which she describes as beautiful because of its soft, lovely coloring.

Elizabeth Frink's sculpture, "bronzes that appeared as soft and mellow as old wood," caught Mrs. Sheldon's attention, and it is nice to know that some of the Frink work will be included in the forthcoming exhibit.

Another artist to be represented at the Nebraska Art Association's show this season is Milton Avery, also mentioned favorably by Mrs. Sheldon. Mr. Avery, who does both oil and water color, was one of 10 artists granted retrospective exhibitions by the Ford Foundation.

Courtesy

A spring bride-elect, Miss Elizabeth Antes was honored on Thursday evening, Feb. 18, at a dessert supper and miscellaneous shower. Hostesses for the affair were Mrs. William Kehr, Mrs. F. D. Keim and Mrs. Elsie Pelikan, and the guests were invited to the Keim home.

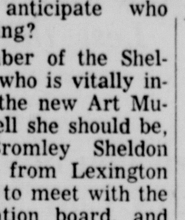

Miss Antes has chosen Friday, April 8, as the date for her marriage to Kenneth Meyers.

Entertain

Host and hostess at a bridge party and late evening buffet supper on Sunday, Feb. 21, were Mr. and Mrs. Jack Hoenig. The affair was given in honor of Mr. and Mrs. Don Wiederspan of Denver and Mr. and Mrs. Loy Thietje of West Point who were visiting in Lincoln.

Ten couples were invited for the evening.

Clubs In The News

The Junior Woman's Club of Lincoln marked its seventh anniversary on Wednesday when the members met for a "birthday" luncheon in the Georgian Room of the Hotel Cornhusker.

A highlight of the afternoon was a fashion show modeled by club members including (from the left) Mrs. R. Wendell Mayfield, Mrs. W. D. Marting, Mrs. Gaylord Cole and Mrs. Harold Jacobs. Models not pictured were Mrs. Burke Anderson, Mrs. Warren Griffith, Mrs. Bernard Heelan and Mrs. Elmer Maser.

"Pathways To Good Citizenship," will be the theme of the LINCOLN PTA COUNCIL program on Thursday, March 3, when the group meets at 1:15 o'clock at the Public Schools Administration Building.

The inspirational thought will be given by Ilmars Bergman, and a panel discussion moderated by Mrs. Earl Lampshire will be featured. Panel members and their topics will include former Gov. Robert Crosby, speaking on, "Heritage"; Miss Edna Zamzow, "School"; and Dean Tebo, "Home".

A board of managers meeting will be held at 10 o'clock on March 3.

EVERETT PTA celebrated its Founders Day on Tuesday, Feb. 23, at an evening meeting. The speaker was Mrs. Mark Pierce, the first Everett PTA president.

During the evening Mrs. Henry Somers was honored with a PTA life membership, and corsages were presented to the past presidents.

A musical program was given by the PTA Mothersingers. In charge of arrangements for the social hour which followed the meeting were Mrs. W. L. Hudson, Mrs. Henry Zieg and Mrs. Gale Anderson.

At the Tuesday afternoon meeting of PRESCOTT PTA, a puppet play, "Mr. Facts", was presented in conjunction with the group's Founders Day celebration. The cast included Mrs. Charles Letheby, Mr. and Mrs. M. T. Rosenberger, Mrs. Karl McDonald, Mrs. Edward Neff, Mrs. A. H. Brophy, Mrs. William Aikman, Mrs. Robert Gilmour, and Mr. and Mrs. Lyle Ashelford and their son, Lyle.

Honored with PTA life memberships were Mrs. Albert Mulder, Mrs. Francis Minard, Mrs. James McKelvie, Mrs. Robert Heuser and Mrs. William Frerichs.

During the Friday, Feb. 19, meeting of TRINITY LUTHERAN PTA Lincoln policewoman, Mrs. Hulda Roper, discussed social problems of the juvenile.

The Founders Day program included the presentation of a PTA life membership to Mrs. Martin Stohlman.

A committee of fathers headed by Willard Wurm served as hosts for the evening.

SUBURBIA

EASTBOROUGH

Learned that Mrs. Charles Gove was honored on Tuesday, Feb. 23, at a dessert luncheon and pink-and-blue shower held at Cotner Terrace. Hostesses for the 1 o'clock affair were Mrs. Dick Foster, Mrs. John Mulkey and Mrs. Robert Schrawger.

Sixty guests were invited for the party.

Moving to Eastborough in January from their former home in Omaha were Dr. and Mrs. Joe C. Horton. Dr. Horton is a surgeon at Veteran's Hospital.

Younger members of the Horton family include Philip, who is 11 years old, Carol, aged eight, and three and a-half month-old Perry.

The address of the Horton home is 511 Northborough Lane.

Hear that the The Wa Ne Camp Fire Girls planned a pot-luck supper for which their families were the special guests. The party was held at St. Mark's Methodist Church on Tuesday evening, Feb. 23.

The gals, all fifth graders at Meadow Lane school, have as their leader, Mrs. Jesse Haith. Mrs. Frank Koeningsman is the assistant leader.

MEADOW LANE

Newcomers to Lincoln and the Meadow Lane area are Capt, and Mrs. Russell J. Scott who moved into their home at 7550 Starr early in January. The Scotts have just returned to the United States after a tour of duty at Wethersfield air Force Base in England.

Capt. and Mrs. Scott have two daughters, Renae and Sandy.

And a welcome to Mr. and Mrs. Patrick D. Vinlove who settled in their new home at 6610 Marcia Lane the first of February.

The couple's former address was 3345 A.

Plan Dance

Members of the Kalico Klickers Square Dance Club will entertain at an 8 o'clock dance Friday evening, on the second floor of 130 So. 11th. All who are interested are welcome to attend.

Chessman Tells Horror Of Waiting For Execution

San Quentin, Calif. (AP) — Waiting to be executed is "almost as though you're walled off from the living," Caryl Chessman said Wednesday.

He gave that description in an exclusive prison interview with the Associated Press. Last Thursday Chessman was granted a 60-day stay of execution less than 10 hours before he was to go to the gas chamber. Wednesday he told how he felt in the waiting cell, less than 20 feet from the gas chamber, as the hour of execution approached.

"There is an awareness, hard to describe, that pours in on you, like waves pounding against a beach," he said, closing his eyes, clenching his fists and spreading his denim-clad arms in an effort to demonstrate the sensation.

"It's not a constant thing, like breathing," he said. "Every half hour or so, a word, a thought would come and the realization of what you're waiting for hits you.

Comes and Goes

"It comes and it goes, and you have to keep your imagination in control. I thought Thursday night that this was finally it, after all the years of waiting. But I knew that letting my imagination dominate me would be the most futile and self-defeating thing in the world.

"I wasn't overcome by an animal fear. I wasn't sniveling. But at the same time I hadn't lost my capacity to feel."

Chessman was relaxed as he spoke. After almost 12 years in San Quentin prison's death row, after 8 execution dates set and stayed, after 15 appeals to the U.S. Supreme Court, Chessman said, "I don't think there's any further court action I could take at this time."

He said he was working on a new letter to Gov. Edmund G. Brown but he wouldn't disclose its contents.

"I think it would destroy the purpose of the letter," he said.

In staying Chessman's execution Gov. Brown said the convicted sex-kidnaper was to be kept alive while the legislature was asked again to consider abolition of California's death penalty.

'Keep Name Out'

"I wish they would keep my name out of the fight to abolish capital punishment," Chessman said. "I would be doing a disservice to those trying to do away with it if I was the big figure involved and made any statements about it."

Would Chessman be willing to die for the abolition of capital punishment?

He hesitated just a moment, then said softly, "That's so.

"What sustained me in the hours before I was supposed to die last week was the hope that my death would lead to re-evaluation of capital punishment."

Chessman has steadily insisted that he was not the "Red Light Bandit" who used a red filter over an automobile light to impersonate a policeman on Los Angeles lovers lanes and forced young women into unnatural sex acts.

Then why has Chessman, who contends he knows the names of the persons who were the actual Red Light bandits, refused to identify them?

"Everyone will have to wait for that answer," Chessman said. "It'll come."

Mac's Wife Must Rest

London (UPI) — The wife of Prime Minister Harold Macmillan, 59 year old Lady Dorothy, has been told by her doctors to take a two week rest.

Ask Release Of Letter Indicating Conrad Will Run

Omaha (AP) — A representative of Frank Morrison said Wednesday night that Gov. Ralph Brooks last Aug. 11 wrote Morrison, Rep. Donald McGinley and Rep. Lawrence Brock he would run for the Senate and Robert Conrad planned to file for governor.

Jerry Hasset declared that now that Brooks has entered the senatorial race he should disclose contents of the August letter which would "put a stop to the rigged draft movement secretly headed by Conrad himself."

Morrison, a Lincoln attorney, also is sseking the Democratic nomination for governor. Conrad, the Democratic governor's administrative assistant, has not yet said he will seek the nomination. However, "Conrad for Governor" offices have been opened.

Ruling Given On Relief Lien Foreclosures

The attorney general ruled Wednesday that a county board of public welfare or the State Board of Public Welfare should be made a party to an action by a county to foreclose its general relief liens.

The opinion for Buffalo County Atty. Robert A. Munro of Kearney also said there is no provision made for a joinder of parties and causes of action for foreclosure of more than one general relief lien.

Earth Scientist Says Water 'Most Necessary Mineral'

Water — taken for granted by most of the public — is the most necessary mineral commodity used by man, a University of Nebraska audience was told Wednesday night.

Dr. George B. Maxey, head of the ground water geological and geophysical exploration section of the Illinois State Geological Survey, continued:

"Water's availability in adequate quality and quantity has been one of the chief factors in the placement, growth and maintenance of most of the works of man."

General principles of geology of water were developed during the late 19th and early 20th Centuries, but in many instances are ignored or misunderstood today, Dr. Maxey said.

"Much of the recent work on ground water has been done primarily by engineers, physicists and pedologists and was not always based on sound geological thinking," he noted.

"Recent work has resulted in a broader, more accurate understanding of the principles of ground water supplies.

"However, many problems still remain to be solved, and the responsibility of the geologist in water resources studies has increased rather than lessened."

New Source Of Wealth

Halifax, N.S. (AP) — Canada's search for mineral wealth will be extended to the bottom of the Arctic seas by a special oceanography station to be built near here and a proposed 4,000-ton oceanographic ship, says Dr. F. L. Layes, director of the new Dalhousie University Department of Oceanography.

Contracts On Dorms Awarded

The Nebraska Normal Board Wednesday awarded contracts on mechanical and electrical work on two dormitories at the State Teachers College at Kearney.

The mechanical contract went to Anderson Brothers Plumbing and Heating, Kearney, low bidder at $167,222, and the electrical contract went to the Holdrege Electric Shop, Holdrege, at $45,565.

The board also accepted the low bid of $23,945 the Nebraska Boiler Co. of Lincoln for a new boiler in the heating plant at the State Teachers College at Chadron.

TWO LIQUOR HEARINGS SET

The Nebraska Liquor Control Commission Wednesday set hearings on the possible suspension or revocation of two retail beer licenses.

Both licenses were charged by the commission with accepting merchandising credit for more than 30 days and failing to file a retailer's monthly report, in violation of State Liquor Commission rules.

The licensees were Paul L. Wagner of Lexington and George W. Armstrong of Ogallala. Both hearings were set for March 2.

The commission cancelled the hearing for the Alumni Club, Inc., of South Sioux City, retail beer license outside corporate limits, previously set for Feb. 29 on charges of selling liquor outside legal hours, and selling liquor without first having obtained a vaild license to do so. The commission said the licensee pleaded guilty to the charges and waived the hearing.

A hearing on the application, for a retail Class A liquor license by Angelo Bruno of Omaha, against which protests have been filed, was continued from Oct. 26, 1959, to March 14, 1960.

CARMICHAEL

Hastings Farm Firm Files To Incorporate

Articles of incorporation were filed with the Nebraska secretary of state's office Wednesday by Beck-Foote Farms, Inc., of Hastings.

Incorporators were Dr. V. L. Beck, Dr. Donovan B. Foote and Dr. C. M. Foote, all of Hastings. The firm was authorized to issued $100,000 in capital stock.

Other filings, including amounts of capital stock authorized;

Johnson Motels, Inc., Valentine; Roy B. Johnson, Laura Johnson and Dean L. Donoho, all of Valentine; $10,000.

K-STATE RAPS JAYS

Brechler To Quit, Take Skyline Job

Iowa City, Ia., (AP) — Paul Brechler, 48, State University of Iowa athletic director, resigned Wednesday to become commissioner of the Skyline Conference.

Brechler, athletic director since 1947, announced his resignation in a telegram released by Iowa president Virgil M. Hancher. He asked that the resignation become effective next Aug. 15.

Only last Sunday Brechler said he had withdrawn his name from consideration for the Skyline Conference position, being vacated by E. L. (Dick) Romley in June.

However, Tuesday night in Reno, Nev., where he had been attending an NCAA television committee meeting, Brechler denied the statement.

Brechler, who was embroiled in a controversy with Iowa head football coach Forest Evashevski last fall, told Dr. Hancher that "the commissionership offers an opportunity to work in a different aspect of the administration of intercollegiate athletics."

He said it is "a field in which there is an opportunity for effectively helping to preserve the values of intercollegiate athletics and to help avoid the problems and pitfalls which might destroy those values.

Brechler received $18,500 a year as athletic director and head of the division of physical education at the university. The salary he will receive as Skyline commissioner was not known.

Evashevski, in announcing last fall his resignation as coach 4 years hence, said working conditions in the SUI athletic department were intolerable. He blamed Brechler.

FISCHER RETURNS 'HOME'

Cletus Fischer (left) wasted no time getting into workout clothes as he arrived at Nebraska Wednesday to join Bill Jennings' football coaching staff. The former Cornhusker great returns from a year of coaching in Texas. (Star photo)

Eagle, Palmyra Gain Opening D Triumphs

Lincoln Star Special

Palmyra — Eagle and Palmyra advanced to semifinal action in the Class D district tournament here Wednesday night with victories over Sprague-Martell and Hickman respectively.

Rich Westfall's basket with 11 seconds to go gave Eagle a 37-36 victory.

Sprague-Martell had numerous chances to win the game in the closing minutes but couldn't capitalize on free throws.

Lavane Johnson led Eagle with 12 points before he fouled out late in the ball game. Darrel Amen had 14 for the losers.

Palmyra toyed with Hickman while winning 49-31.

Hickman was as cold as the weather outside and scored but 7 points in the first half.

Palmyra coach Bill Minshow played his reserves most of the second half. Del Cooper was high for Palmyra with 13 points. Don McCord of Hickman paced all scorers with 14.

Eagle	13	9	4	11	—37
Sprague-Martell	12	9	5	10	—36

Winners high — Lavane Johnson 12. Losers high—Darrel Amen 14.

Palmyra	12	6	19	12	—44
Hickman	3	4	16	8	—31

Winners high—Del Cooper 13. Losers high—Don McCord 14.

Blair Batters Neb. City, 72-52

Blair — Blair used two hot quarters to hand Nebraska City its 3rd defeat 72-52 Wednesday night.

Jerry Brunk and Leon Bragg dropped in 17 for the winners.

Nebraska City	8	13	13	15	—52
Blair	21	13	16	23	—72

Winners high—Jerry Brunk, Leon Bragg 17. Losers high—Jerry Winkelman 17.

—AFTER 1960 SEASON—

Jim Lee Howell Quitting Giants

New York (AP) — Plagued by tensions of his own creation, 45-year-old Jim Lee Howell decided Wednesday to quit as coach of the New York Giants at the end of the 1960 National Football League season.

His announcement came as a surprise at a press luncheon for NFL commissioner Pete Rozelle, who was visiting New York for the first time since his election.

Howell said he will serve out the last year of a 3-year contract in 1960 and then take a new position as director of player personnel for the Giants. He said he has been considering retirement for several years, but wanted to go out a winner.

The Giants have won the NFL's Eastern title for the past two years, only to lose to Baltimore in the championship playoff.

Wrong Life

"I like coaching. I don't think there's any better job in pro football unless it's Pete Rozelle's job as commissioner," the tall, grey-haired Howell explained. "But I found it wasn't the type of life I liked. Going down in defeat was becoming more and more unbearable every year.

"When this opportunity came up, we talked it over and decided to make the announcement at this time. If we waited and something happened to go wrong next fall and then I quit, it would look as if there had been pressure. And there hasn't been any."

As director of player personnel Howell will work with Giant secretary Wellington (Duke) Mara. It was Mara, overburdened with work in connection with the November pro football draft, who made the suggestion that Howell might take the new job.

"I always was a relaxed sort of person, but in coaching you find yourself getty tired and edgy and cantankerous," Howell said. "Your stomach gets upset and you go home and beat your children. Then you think there might be something you overlooked, so you get out the films again and work until 10:30 or 11 at night."

7 Cities In Professional Keg League

Chicago (AP) — Seven cities have signed up for franchises in a newly formed National Professional Bowling League.

The charter members, which temporary chairman Leonard Homel of Los Angeles said deposited more than $100,000 are Omaha represented by John Awiebe; Los Angeles, Forth Worth, San Francisco, Dallas, Raleigh, N.C., and Chicago.

The league will provide team competition between members, patterned greatly along the lines of the National Football League.

A player draft, league schedule and other matters are yet to be developed.

KEEPING SCORE

With Al Beebe

Star Sports Staff Writer

Didn't Take Long

It didn't take long for rated teams to hit trouble in district basketball eliminations.

Indications that the D30 district at Ogallala was the roughest tourney were borne out by Paxton's 59-50 upset of Big Springs.

Big Springs, with an 18-2 record, was ranked 5th in Class D and had beaten Paxton twice, including 62-44 in the South Platte Valley tourney. Paxton also fell on its own court earlier in the year, 48-40.

But season records mean little in district tourneys.

David City St. Mary's, Class C leader, had trouble disposing of Clarkson 47-41 in its first test. Clarkson wound up 13-8, with definite improvement at mid-season.

Cedar Rapids, with a 17-2 mark, was beaten by Osceola, 53-40. Osceola was 7-10 during regular play. Gibbon, 9-6 and rated in C much of the year, was a victim of Franklin, 50-49, a .500 club.

Beaver City, 13-4 during regular season, was defeated by Trenton, a 5-10 outfit, 58-48.

Panama finished its year 16-5 after losing to Bennet, 46-41. Bennet had lost to Panama by only two points during the season.

Red Willow, the defending Class D champion, went out in its first game in ignominious fashion, losing to powerful Palisade, 92-48.

And surely Republican City must take this season's prize for futility, after suffering a 101-18 opening round defeat by highly-rated Axtell.

That capped a winless Republican City season, in which the team's highest score was 38 points and the low mark only 9.

But the game was played. They say that's what counts.

Congratulations In Order

And our congratulations go to Lincoln Southeast's swim team for its repeat state championship. John Reta's boys proved themselves the hard way—winning the title without a single individual champion.

And to Bill Fowles, Lincoln High's great butterfly swimmer, who won for the 4th year (the first as a freshman from Hastings). He continued to better his own records.

And to Art McWilliams, Lincoln's only wrestling champion. The Links' veteran won in the 138-pound division after two 3rd-place finishes in the state tourney. His coach, Harry Gilliland, reports McWilliams wound up with a 45-7 record for 3 years of wrestling.

And that's not bad.

—RUSSIA TIED BY SWEDES—

U.S. Hockey Hopes Soar

SOVIET SKATER, AUSTRIAN SKIER WIN GOLD MEDALS

Squaw Valley, Calif. (AP)—Eugeni Grishin, Russia's world champion speed skater, beat America's Bill Disney out of a gold medal Wednesday by one-10th of a second in 500-meter race at the Winter Olympics. Grishin's time tied his world record of 40.2 seconds.

United States hopes in the men's figure skating also suffered a setback when David Jenkins wound up 3rd after 3 compulsory figures. Karol Divin of Czechoslovakia was first and Alain Giletti of France second.

Two more school figures will be skated today. The free style—when Jenkins, the slender world champion from Colorado Springs, is at his best—comes Friday. He is seeking the crown won at the last games by his brother, Hayes,—a family succession never achieved in Winter Olympics.

The unofficial score was Divin 415.5, Giletti 404.0, and Jenkins 401.2.

In the only other gold medal event of the day, Ernst Hinterseer, a Kitzbuhel farmer, captured the men's slalom and restored Austria's badly damaged skiing prestige.

He made the two runs down KT22 mountain in 1 minute 10.7 seconds and 58.2 seconds for a total of 2:08.9. The runs were on different courses.

Willy Bogner of Germany, who led on the first run in 1:08.8, fell on the second and failed to finish. Americans finished out of the picture.

Second place in the slalom went to another Austrian, Mathias Leitner, in 2:10.3. Charles Bozon of France was 3rd in 2:10.4.

Agin the Olympic weather was perfect —a bright sun that made the snow peaks flash with fire, and a temperature in the moderate 30s. More than 5,000 gaily attired ski fans trudged up the mountains to line the slalom slopes.

Russia had the team championship of these games won as competition passed the halfway mark.

The Soviets have an unofficial total of 120 points compared to 49½ for second place Germany and the United States' 3rd place total of 44.

Grishin, 28-year-old Army instructor, stumbled in the home stretch of his heat in the 500, making the performance all the more remarkable. He lost at least 2-10ths of a second. Possibly more.

The United States was well content with the second place by Disney, an Alhambra, Calif., rug cleaner.

U.S., CANADA TIED FOR TOP

Bill Cleary's 4 goals paced the United States hockey team to a 9-1 victory over Germany Wednesday and a tie for first place in the Winter Olympic round robin standings.

The Yanks are now 2-0, tied with Canada which beat Czechoslovakia 4-0. Russia's 2-2 tie with Sweden dropped the favored Soviets to 1-0-1.

NBA Must Find Home For Lakers

Minneapolis (AP)—Bob Short, owner of the Minneapolis Lakers, said Wednesday the future of the club would be put up to National Basketball Assn. directors meeting today in Philadelphia.

The Lakers, deep in financial problems, are continuing to draw small crowds in Minneapolis.

"We may move the club to Los Angeles, but not the ownership," Short said. "If we did sell the franchise outright, that is something else and Los Angeles then would have the direct say on who would run things.

"I prefer to be where my team is, that is a main reason why I'd like to keep the Lakers in Minneapolis.

Knight Gym Team Handed 1st Loss

Lincoln High gymnasts handed Southeast its first dual meet defeat Wednesday 73½-54½ at the Activities Bldg.

Southeast had won an earlier decision from the Links by two points. If Lincoln beats Northeast Friday, they will tie Southeast for the city gym title.

Francis Allen paced LHS with a win on the parallel bars, a second and a third for 14 points. Jim Howard of Southeast was high for the afternoon with 16.

Free Exercise—Tie for 1st and 2nd between Frank Vogt LHS and Larry McCoy SE; 3, Jerry Harvey SE.
Rebound Tumbling—1, Terry Chandler LHS; 2, Larry Raskey LHS; 3, Fred Solheim SE.
Rope Climb—1, Bob Bresette SE; 2, Woodward Weldon LHS; 3, Chuck Privence LHS.
Side Horse—1, Bob Pardee SE; 2, Larry TeSelle LHS; 3, Francis Allen LHS.
High Bar—1, Jim Howard SE; 2, Allen LHS; 3, Provense LHS.
Parallel Bars—1, Allen LHS; 2, Howard SE; 3, Tom Stitzman LHS.
Flying Rings—1, Rollin Michaud LHS; 2, Howard SE; 3, Bresette SE.
Tumbling—1, Vogt LHS; 2, Bill Pfeiff LHS; 3, McCoy SE.

Austria's Hinterseer . . . Zips To Victory.

Garland Wins District Plum

. . . ROUTS PRAGUE, 78-64

By Al Beebe

Unbeaten Garland became the first team to win a district tournament, knocking off Prague 78-64 to win the Class D action at Lincoln Northeast Wednesday night.

Ranked second in Nebraska's Class D ranks, well-balanced Garland racked up win No. 16 by taking an early lead and dominating the rebounding.

Garland will enter the Class D playoff at Wahoo Luther March 1-2 against the winner from district 5 at Fremont.

Superior maneuvering paid off for Garland against Prague, a Class E state tourney entry last year which finished with a highly commendable 19-4 record.

Garland's rebounders were seldom out of position in the battle of the boards, and Prague's Rudy Vanek could not do the job alone.

Expert ball-handling and some fine shooting also helped shoot Garland into an early 15-4 lead, 20-11 after one quarter.

Don Beckmann and Russ Krieser supplied the shooting, each hitting 9 points in the first quarter. Beckmann finished the night with 29 before fouling out, and Krieser had 25.

Prague cut the gap occasionally — 24-19 and 33-27 in the second quarter, and again at 43-37 in the 3rd before Garland forged far ahead to stay.

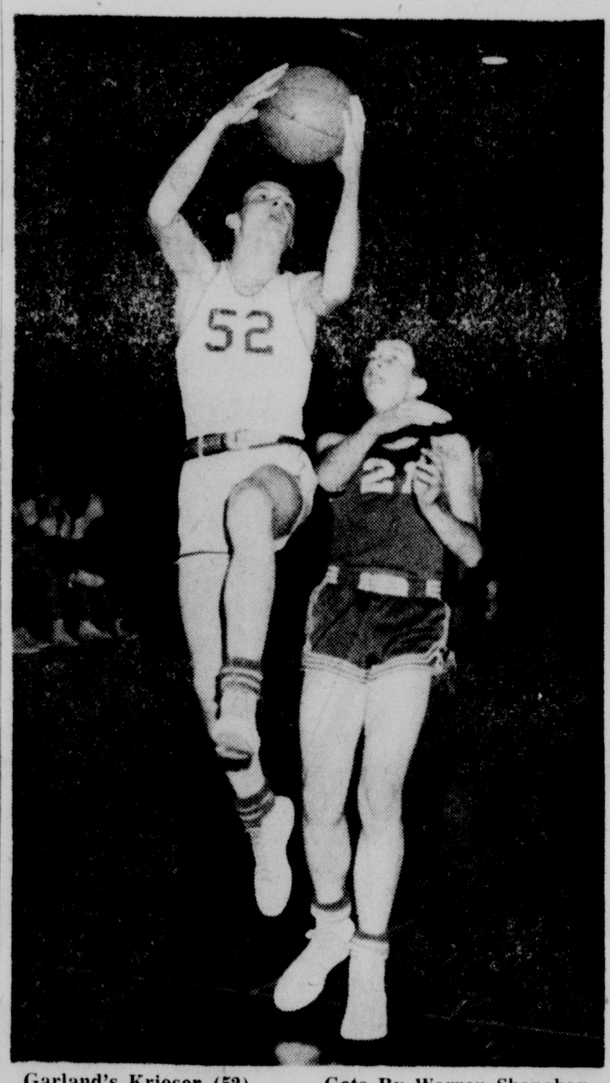

Vanek, Kenneth Jambor and Galen Fendrick spurred Prague's rallies, but Beckmann or Krieser cut them all off before damage was done.

Shooting percentages wound up nearly even, Garland 28 of 61 for 46% and Prague 25 of 55 for 45%. Prague was only 14-29 on free throws, but Garland canned only 22-43.

In addition to Vanek's 15, Jambor added 12 and Fendrick 11 for Prague scoring.

Garland	20	16	19	23	—78
Prague	11	16	16	21	—64

Winner's high—Don Beckmann, 29; loser's high—Rudy Vanek, 15.

Garland's Krieser (52) . . . . Gets By Warren Shanahan For Basket.

BIG 8 HEARS CU PROTESTS

Big 8 Conference athletic directors will act on protests lodged by Nebraska and Iowa State against Colorado's basketball team in Kansas City today.

The directors meet one day before the Big 8 indoor track meet opens.

'Cats Bolt To Big 8's Top 68-57

Manhattan, Kan. (AP) — Kansas State's Wildcats bolted into the undisputed lead in the Big 8 Conference basketball race by humbling the Kansas Jayhawks 68-57 before 12,000 here Wednesday night.

The victory gave Kansas State an 8-3 conference record and dropped Kansas into a tie with Colorado and Oklahoma for second and 3rd at 7-4.

Mike Wroblewski, 6-8, sophomore, scored 15 points in the first half and the Wildcats led 36-28 at intermission.

The tall rookie didn't score in the second half, but veteran Wally Frank took over and made 14 in the home stretch to clinch the victory. Frank was high for the game with 19 points.

K-State appeared headed for a runaway victory in the late stages but Kansas sophomore Jerry Gardner hit 4 straight field goals to shut off the rout.

Wayne Hightower, 6-9 Kansas sophomore, the league's leading scorer, was held to 15 points.

Kansas State made 28 of 66 field shots for 42.4 per cent. Kansas hit 25 of 56 for 37.5 per cent.

Okies Tie For No. 2 Loop Spot

. . . TOP OSU 59-53

Stillwater, Okla. (AP) — Oklahoma broke open a tight game in the final two minutes of the first half and beat Oklahoma State 59-53 Wednesday night.

Oklahoma held a 31-25 halftime lead. The Sooners pushed the advantage to 15 points and then stalled off a late rally by Oklahoma State.

It was Oklahoma's 7th Big 8 Conference victory against 4 losses and left the Sooners tied for second place with Colorado and Kansas. Oklahoma State's conference mark is 4-7.

Brian Etheridge and Dennis Price paced the Sooner attack with 17 points each while Fritz Greer led the Cowboys with 10.

Oklahoma had a 52.5 field goal shooting percentage compared with 40.9 for Oklahoma State.

Liston, Williams Paired

Houston, Tex. (AP) — Sonny Liston, the No. 2 heavyweight boxing challenger, has signed to meet Cleveland Williams, ranked No. 10, here March 21 in a 10-round main event.

ARMSTRONG LOSES NOD TO TIGER

Chicago (AP) — Nigerian Dick Tiger, British Empire middleweight champion, rallied to take a unanimous 10-round decision from favored Ace Armstrong in the Chicago Stadium Wednesday night.

Although all 3 officials voted for Tiger, No. 8 ranked middleweight, the nationally televised bout was close all the way and Tiger's spirited last-round attack swung the tide.

It was the second defeat handed the 9th-ranked Armstrong by Tiger in Armstrong's 20-bout pro career. Last Sept. 2, Tiger won a 10-round decision over Armstrong in Camden, N. J. for Armstrong's only previous loss.

—PREDICTS 16 TEAMS FOR PROFESSIONAL NFL—

Rozelle Finds Expansion Sentiment

New York (AP) — New commissioner Pete Rozelle Wednesday said he has found a strong sentiment in the National Football League for eventual expansion to 16 teams.

Rozelle, en route to the league office in Philadelphia after winding up his duties as general manager of the Los Angeles Rams, told New York Football Writers the expansion could take place as early as 1962, but probably would be deferred a year or so.

"There's a strong sentiment for expansion to a league of two 8-team divisions," he said. "We would like to add two more teams, in addition to Dallas next year and Minneapolis-St. Paul in 1962, as soon as it is practical."

There has been no serious discussion of the cities to be added, Rozelle said, though owner George Marshall of the Washington Redskins has suggested Montreal and Toronto as possibilities.

"I think we probably will wait until we see how things work out in Dallas and Minneapolis-St. Paul," Rozelle said. "Then we'll know a lot more about the problems involved in organizing and staffing a new team."

Rozelle said his frist task after setting up shop in Philadelphia will be to draw up a schedule for the 1960. This was delayed because the Dallas club in the new American Football League had the first choice of dates in the Cotton Bowl.

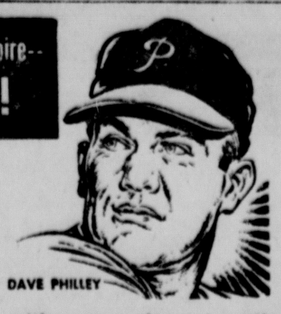

Plans call for each team in the 13-club National League to play 12 games in a 13-week span.

As a Hot Stove League Umpire-- YOU CALL IT!

Ninth of a series

By Ben Olan

The best way for a manager to put himself on the spot is to make a pitching change.

He also leaves himself open to a lot of second guessing when making a batting change.

Here is a courageous soul who does both before a batter has been retired.

You deserve to be at the head of the class if you answer this supposed situation correctly.

It's the last half of the 4th inning, and Pittsburgh has the bases full with two out.

Dick Stuart, the right-handed slugger, steps up to the plate.

Manager Eddie Sawyer of the Phillies takes out southpaw Curt Simmons and calls right-hander Dick Farrell to relieve.

Before Farrell throws a single pitch, he catches Roberto Clemente off second with a snap throw to retire the side.

Farrell, a weak hitter, is due to be the first Philadelphia batter in the fifth.

Sawyer sends in a pinch hitter, Dave Philley, who bangs a double off the right field wall.

Manager Danny Murtaugh of the Pirates runs off on the field contending Farrell shouldn't have left the game since he hadn't pitched to one batter until he was either retired or reached base.

Do you think that:

a. Farrell should have been made to bat?

b. Philley should have been declared out as an illegal batter?

c. Philley was entitled to his two-bagger?

Answer: c—Philley was entitled to his two-bagger. Sawyer's action in sending in a pinch hitter for the relief pitcher was perfectly legal. A substitute pitcher must pitch only until the first batter he faces is retired or reaches base, or until the offensive team is retired.

Schirmer, Lind Boost Milford

Lincoln Star Special

Seward—Jim Schirmer and Jerry Lind, a pair of pint-sized sharpshooters, gunned Milford to a 67-47 win over taller Valparaiso in the district Class C tourney here Wednesday night.

Schirmer fired 25 and Lind 18 points for the winners. They tallied Milford's first 20 to forge a comfortable lead

Friend ousted Utica in the second game 42-32.

Milford	16	16	16	12—60
Valparaiso	4	18	12	13—47

Winner's high — Jim Schirmer 25. Loser's high—Lloyd Hellerich 22.

Friend	12	10	9	11—42
Utica	12	6	9	5—32

Winner's high — Charles Moore 15. Loser's high—Dave Naber 13.

ST. JOE, POLK IN THRILLERS

Lincoln Star Special

Bradshaw—A pair of thrillers at the Bradshaw district Class D tourney sent York St. Joe and Polk into Friday's finals.

St. Joe held onto its halftime lead to drop Hordville 58-54.

Polk staved off a late Marquette rally to win 50-49.

York St. Joe	11	20	17	10—58
Hordville	11	15	15	13—54

Winner's high — Miles Otoupal 19. Loser's high—Kent Ericksen 22.

Polk	10	20	6	15—50
Marquette	13	17	6	13—49

Winner's high—Ray Greene 16. Loser's high—Royce Gustafson 17.

Steinauer Romps In Cook Action

Cook — Steinauer romped to a 94-57 triumph over Virginia and top-seeded Table Rock edged Elk Creek, 43-39, in first round Class D tourney games here Wednesday.

Table Rock rallied with a big 13-3 bulge in the second quarter to whip Elk Creek.

Virginia's Jim Libal took top scoring honors with 36.

Steinauer	18	30	20	26—94
Virginia	7	15	19	16—57

Winner's high—Harold Obrist, 24; loser's high—Jim Libal, 36.

Table Rock	12	13	12	6—43
Elk Creek	17	3	11	8—39

Winner's high—Larry Dudder, 14; loser's high—Jerry Parrish, 12.

Top Pros To Skip Texas Go

San Antonio, Tex. (AP) — The $20,000 Texas Open faces a cold, damp start and many top names will be missing but a field of 150 will move out today in the opening round of the granddaddy of winter tournaments.

There still will be many star shotmakers, including leading money winners Arnold Palmer, Fred Hawkins and Bob Goalby, and the Fort Sam Houston course, a 6,729-yard, par 72 layout, offers no terrors for the nomads of golf.

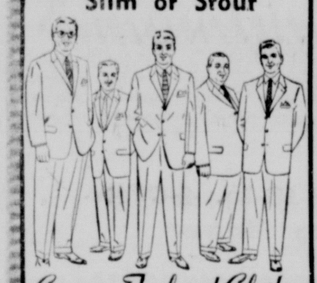

Rain, cold and high winds have harried the touring players in tune-up rounds and pro-amateurs but par hasn't eluded them.

Palmer, who is being established as the favorite, posted a 3-under-par 68 in taking top money in the major pro-amatuer at shorter Oak Hills course.

Rex Baxter, Texas golfer at For Sam Houston here, had a 5-under-par 67 over the Fort Sam Houston stretch.

Only two winners along the winter tour — Mike Souchak, who took top money at San Diego, Calif., and Palmer, winner at Palm Springs, Calif. — are in the field.

Dow Finsterwald, who won at Los Angeles; Jerry Barber, champion at Yorba Linda, Calif.; Ken Venturi, who captured the Bing Crosby, and Don January, winner at Tucson, aren't coming.

—SCOTTSBLUFF STOP LISTED—

Lincoln Gals Training To National Keg Meet

By Paul LeBar

For many Lincoln gals it'll be a "once-in-a-lifetime" chance in early May to attend the national tournament in Denver and the state meet in Scottsbluff.

Women's City Secretary **Stella Kaufman** reports a local delegation of 14 teams will embark via private train from Lincoln May 5, bowl in the nationals May 6-7, then go to Scottsbluff the night of May 7.

About 20 local teams overall will vie in the state meet, conducted 6 weekends from April 16-17 through May 21-22.

Stella, for one, thinks the train idea is a good one. "Otherwise, a lot of us wouldn't be able to go the state," she says.

Lincoln's Northeast Branch of the YMCA is boasting a stellar boys' bowling team.

The lads, all 13 and 14 years old, recently topped Omaha's ranking junior boys team in a two-out-of-3 team scratch event.

They rolled an 890 team total in their second game, which averages out to 178 per boy.

Jim Akeson's 221 was high game. Other team members are **Roger Yant, Mike Kournowsky, Johnny Laird** and **Doug Peterson.**

Bridget Wesierski, a mighty mite on the lanes, was the women's pacesetter in league bowling during the week.

She chalked up a 257 single game high and a career-high 600 series for King's Fine Foods in the Hollywood Star Wednesday night league.

Veteran **Jack McKinney** had the top two series among the men, both rolled the same evening at Parkway Lanes.

Top 5 listings, league bowling through Monday night:

MEN'S GAMES

265 — **Dick Aksamit,** Unlucky 5, Hollywood National Guard. 256—**Al Grosenbach,** Gen's Steak House, Parkway Greater Lincoln. 255 — **Dick Keller,** Procurement, Parkway LAFB Civilian Employes; **Bill Koehler,** Bowl-Mor, Parkway Greater Lincoln; **Arthur Dick,** Duffy's Tavern, Parkway Big 8; **Bill Noel,** Four Aces, Parkway Mixed.

MEN'S SERIES

669 — **Jack McKinney,** Commonwealth, Parkway Capital City. 659—**Jack McKinney,** Gruenemeier's, Parkway Greater Lincoln. 653—**Buck Duer,** Mason Electric, Parkway Greater Lincoln. 640—**Curley Piontek,** Goodyear Men's, Northeast. 636 — **Bill Koehler,** Bowl-Mor, Parkway Greater Lincoln.

WOMEN'S GAMES

257—**Bridget Wesierski,** King's Fine Foods, Hollywood. 243— **June Robb,** Garcia-Damian, Hollywood Non-Maximum. 232— **Jean McKinney,** Duffy's Tavern, Bowl-Mor Ladies Classic; **Lois Ehlers,** Livewires, Parkway Telephone; **Beth Smith,** J. Worley Printing, Parkway Parkettes.

WOMEN'S SERIES

600— **Bridget Wesierski,** King's Fine Foods, Hollywood. 585 —**Ruby Stewart,** Daring Demons, Bowl-Mor Lucky Strikers. 584—**Eva Harig,** The Cave at Tillman's, Bowl-Mor Ladies Classic. 581—**Avis Smith,** South Street Dairy Queen, Hollywood Housewives 1A. 573—**June Robb,** Pre-Cast Step Co., Bowl-Mor Ladies Classic.

NU Frosh Top Buffs In Postal

Winning 12 events, Nebraska Freshmen scored an 89-32 victory over Colorado Frosh in a postal track meet.

Four wins by Ernst Gunter plus a double victories for Ray Stevens and Fred Wilke paced the triumph.

60 yard dash—1, Ernest Gunter, N, 6.2; 2, Steve Pfister, N, 6.3; 3, Graham, C, 6.4 (ties Big 8 postal record).

440—1, Gunter, N, 49.7; 2, Jasper Epps, N, 50.3; 3, John Silveira, N, 51.0; 4, Bill Kenny, N, 51.3.

Mile relay—Nebraska (Gunter, Epps, Silveira, Kenny), 3:23.3.

880—1, tie, Kenny and Silveira, N, 1:59.2; 3, Joe Scott, N, 1:59.7.

1000—1, Bath, C, 2:21.5; 2, Schmiel, C, 2:21.8; 3, Dick Faust, C, 2:22.6.

Mile—1, Ray Stevens, N, 4:27.5; 2, Joe Scott, N, 4:31; 3, Faust, C, 4:36.5.

2-Mile—1, Stevens, 9:50.8; 2, Faust, C, 10:23.9; 3, Patterson, C, 10:34.2.

60 high hurdles—1, Gunter, 7.4; 2, Ron Moore, N, 7.5; 3, Fred Wilke, N, 7.6. (ties Big 8 postal record).

60 low hurdles—1, Gunter, N, 6.8; 2, Moore, N, 6.9; 3, Wilke, N, 7.0. (Betters Big 8 postal record).

600—1, Silveira, N, 1:14.8; 2, Clarence Scott, N, 1:15.0.

Shot put—1, Taylor, C, 49-7; 2, Larry Tomlinson, N, 46-0; 3, Leon Janovy, N, 45-2.

High jump—1, Wilke, N, 6-2; 2, Vayden Anderson, N, 6-0; 3, Lagerfeldt, C, 5-9.

Broad jump—1, Wilke, N, 21-7; 2, Lagerfeldt, C, 21-4½; 3, Van de Putte, C, 19-1¾.

Pole vault—1, Larry Donovan, N, 12-8; 2, Roark, C, 12-6.

161 Nominated

Baltimore (AP) — Bellehurst Stable's Warfare, 1959 two-year old champion, heads a list of 161 3-year-old horses nominated for the 84th running of the $150,000 Preakness.

The race will be run at Pimlico May 21.

SHADES OF HUEY LONG AS LOUISIANA HAILS CANNON

Baton Rouge, La. (AP) — Louisiana and its capital city Wednesday saluted All-America Billy Cannon with a parade reminiscent of the days when Huey P. Long marched with the Tiger football band.

Gov. Earl K. Long, brother of the late Huey, didn't venture out into the threatening drizzle.

But he let 5,000 or so state employes in the 34-story state capitol quit in midafternoon for the fun.

Cannon, who holds the Heisman trophy and two pro contracts, helped put his Louisiana State University into the football clouds.

After mayor-president Jack Christian proclaimed the special day in honor of a great athlete, Gov. Long made it statewide.

In the parade with Cannon were LSU president Troy H. Middleton, city, parish and state dignitaries, LSU's Pershing Rifles, a crack drill squad, and bands from LSU and Istrouma High School, where he first won football renown.

Cannon's football antics, such as the 89-yard touchdown jaunt that gave LSU a 7-3 victory over Ole Miss, caused LSU to retire for all time his No. 20.

—HARD TO BELIEVE DEPT.—

Once-Feared Blackwell Is Only Memory Now

Tampa, Fla. (AP) — Ewell (The Whip) Blackwell should have etched his name in baseball history as one of the greatest of all right-handed pitchers.

In his time, he was more feared than any other pitcher in the game. Yet, today, although only 37, he is a mere memory.

It is hard to believe that this one-time scourge of National League batters, now a liquor salesman here, has been out of baseball 6 years.

It also is difficult to believe that his lifetime won-and-lost record is only 82-77 and that he was a 20-game winner only once. But when he had it, brother, there was nobody who could hit him.

16 Straight Wins

Like the time he reeled off 16 straight victories, the best mark ever compiled by a right-handed starter in the National League.

He began the streak early in 1947, the year he won 22 games for the 5th place Cincinnati Reds. Midway through the streak, Blackwell had a no-hit, no-run game against the Boston Braves.

"It wasn't the best game I pitched during the streak," he says today. "And I remember my next start better than I do the no-hitter.

Nears Second

"In that game, I had a no-hitter going against Brooklyn with one out in the 9th. Two more outs and I would be the only pitcher besides Johnny Vander Meer to have no-hitters back-to-back.

"Then Eddie Stanky broke his bat on a dribbler that came right back to the mound. It went through my legs for a single. The ball stopped rolling just beyond second base.

"I got the next batter, which would have been the third out had I fielded Stanky's 'bleeder,' and then Jackie Robinson blooped a hit into right field before I got the 3rd out."

Career Ruined

First a kidney operation, then an appendectomy, and finally a sore arm, ruined what might have been one of the most brilliant of all pitching careers.

Despite his misfortunes, Blackie made the NL's All-Star team 6 times, setting records that still stand with his 6 starts, 12 strikeouts and 13 2-3 innings.

NYU Honors Carol

New York (AP) — New York University paid tribute Wednesday to an illustrous undergraduate. An Olympic flag was raised on the campus in honor of Carol Heiss of Ozone Park, N.Y., the new Olympic figure skating queen.

Jersey City Eyed For Title Matches

Jersey City, N.J. (AP)—Jack Fugazy, managing director of Feature Sports Inc., Wednesday inspected Roosevelt Stadium as a possible site for two world championship matches.

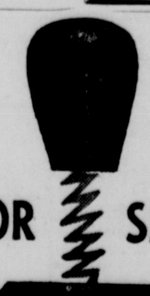

The stadium is being considered for the Ingemar Johansson-Floyd Patterson heavyweight title return and a light-heavyweight bout between Archie Moore and Germany's Eric Schoeppner. Fugazy inspected the park at the invitation of New Jersey boxing commissioner Joseph Walker, who said the seating capacity for boxing could be easily increased to 50,000.

"I was very impressed with the park and the co-operation of the New Jersey officials," said Fugazy. "We will have further meetings."

48 Enter IC4A

New York (AP)—Entry books for the annual IC-4A indoor track meet closed with 48 colleges nominating 689 athletes to compete for the 13 titles.

FU Cautioned Against Alliance With Labor, Business, Industry

Omaha (AP)—Elton L. Berck, president of the Nebraska Farmers Union, cautioned the group Wednesday against alliance with either labor or business and industry.

Berck

In his annual address he also said the Farmers Union also cannot afford the luxury of political alignments.

"Farm producers have much in common with labor, but the farmer must not forget that he is also an employer," Berck said.

"Hence there are many points of possible disagreement, and if an organization purports to represent farmers, farmers should control the policy," he said.

"Perhaps even more seductive is the appeal to form a mutual alliance with private business and industry," he said. "Granted that there is great need for better understanding between farm and city groups, yet there are also important areas of disagreement and they are not limited to such controversies as the location of Interstate Highways.

"Consider the continuing attack against farm co-operatives by business groups, the constant smear campaign waged by private utilities against public power.

"Farmers need a special organization, separate and apart, if they are to survive," he said.

'Economic Suicide'

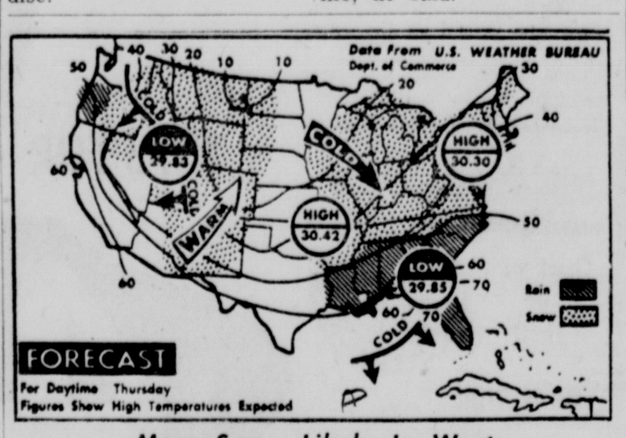

Berck termed the competitive method of solving agriculture's ills "economic suicide."

The farmer can't compete successfully in a world where the competition of a cold war and "administered price structures of business and industry and powerful labor organizations are the facts of life, he said.

Merchandise, Cash Missing At Bertrand

Bertrand (AP) — A large quantity of merchandise and $100 cash were taken in a break-in of the Gamble Store in Bertrand.

The robbers made off with a .22 automatic rifle, a used shotgun, ammunition, a pellet gun, portable radio, tools, and possibly other merchandise.

More Snow Likely In West

Light snow and flurries are predicted for western portion of the Plains to the Pacific Coast Thursday, except for the southwest. Some snow will fall in the Great Lakes area, middle Mississippi and Ohio Valleys and northern New England. Rain and snow mixed is slated for southern and central Appalachians. **(AP Wirephoto Map)**

Donated Record Player Sparks Youth Club Move

Shubert (UPI) — A donated record player started a chain reaction which has provided a building for youth activities and community gatherings here.

Marlene Severin, who attends Lindenwood College at St. Charles, Mo., won the record player on a television program and offered to donate it for use in a club for Shubert's young people.

The members of the Shubert Literary Club took up the challenge and sparked a movement which resulted in a community effort to renovate the opera house.

House Group OKs New North Platte Federal Building

Washington (AP)—The House Public Works Committee approved Wednesday authorization for the construction of 67 federal buildings throughout the United States.

Among them is a Postoffice-Courthouse at North Platte, Neb., for which $2,109,000 has been appropriated.

They are now eligible for approrpriations to acquire sites or, in cases where sites are already acquired, to begin construction. The Senate Public Works Committee earlier approved the projects.

Bid Opening Set

Omaha (AP) — The Corps of Engineers plans to open bids about March 17 on a 25-ton electrically operated draft tube gantry crane at the Oahe Reservoir project near Pierre, S. D. The approximate cost is $50,000.

Ned C. Abbott Dies; Ex-Head Blind School

Omaha (AP) — Ned. C. Abbott, 85, who retired in 1947 after a long career as superintendent of the Nebraska School for the Blind at Nebraska City, died in San Gabriel, Calif., Wednesday. He would have reached his 86th birthday in two weeks.

He was a native of Fremont, Neb., son of a pioneer Nebraska physician. He earned bachelor's and master's degrees from the University of Nebraska and in 1948 received an honorary doctor of philosophy degree.

Mr. Abbott went to Nebraska City in 1896 and taught in the School for the Blind for two years.

In 1901 he and his bride, the former Lillian Newbranch of Omaha, went to the Philippine Islands to teach.

Mr. Abbott also held the principalship of Humboldt High School, a teaching post in Lincoln and superintendencies in Plattsmouth and Tekamah.

In 1909 he became superintendent of the School for the Blind and with the exception of 1911 to 1913 he held the post until his retirement.

Survivors include his widow; daughters, Mrs. Frederick Ware of Omaha, Mrs. Amos Ginn of Phoenix, Ariz., and Mrs. William L. Wilson of San Marino, Calif., and one son, Lea of Dallas, Tex.

Sure Way Out Of Bad Situation

OMAHA, Nebr. — Mr. Robert F. Christensen, 3824 North 70th Ave., says: "I learned the wonders of Baker's Hair Tonic several years ago. It really takes care of dandruff and itchy scalp, and by using Baker's occasionally your scalp stays in good condition." It's so easy and pleasant to use. Not messy or greasy like most so-called dandruff remedies. Use it any time, anywhere. No Federal excise tax on Baker's Hair Tonic, because it's a specific for dandruff. For a "sure way out of a bad situation" caused by dandruff and itchy scalp, use Baker's Hair Tonic. Satisfaction, or money back. Adv.

Martin Advocate Of States Rights, Kiwanians Told

Alliance (AP)—David T. Martin of Kearney, who is a candidate for the Republican nomination for Congress in the Fourth District told the Alliance Kiwanis Club he is an advocate of states rights.

Martin declared the federal government should limit itself to those things which state and local agencies cannot do such as national defense, foreign affairs, reclamation and highway development.

Education and medicine should be handled at the local level, he stated.

Martin said he opposes foreign economic aid but approves foreign military aid. He said the Marshall Plan did its job and foreign nations it helped are now on their feet economically.

The Kearney man said he favors reduction of Cuba's sugar quota and increase of domestic acreage allotments to make up the difference. Cuba is now furnishing one third of the sugar consumed here, he said, while domestic growers are furnishing only one fourth.

E. J. Nelson Dies; Onetime Director Of Marine Band

Gurley — Funeral services were held for Ernest J. Nelson, 60, Gurley rural mail carrier and a resident of this community 38 years.

Born near Oakland, he attended the University of Nebraska College of Music. Later he served as director of the Marine Band for 4 years at Parris Island, S.C.

Surviving are his wife; son, John of Denver; daughter, Mrs. Marilyn Sprinkle of Columbia, Mo.; one grandson, one sister and two brothers.

Atkinson Woman Named Treasurer

Albion (AP) — Mrs. Louis T. Genung of Atkinson has been appointed treasurer of the Nebraska lay citizens education committee to replace Mrs. Harry Schneiderwind of Omaha, committee president Glenn Cramer reported Wednesday. Mrs. Schneiderwind asked to be relieved of her duties as treasurer but will continue as an active member of the state committee, Cramer said.

The committee counts a paid membership of 41, he said.

Services Thursday For Ed A. Sudman

Paxton (AP) — Funeral services will be at 2 p.m. Thursday at the Lutheran Church for Ed A. Sudman, 60, who for 25 years was Keith County clerk.

The Elks Lodge will conduct graveside rites at the Paxton Cemetery.

Can't Sleep?

Until recently, the only way to induce sleep was to drug the mind. Now comes safe, hospital-tested Dormin, using the newest sleeping principle. With Dormin you have nothing to fear—no dangerous narcotics, no habit-forming barbiturates, no tranquilizers. Yet Dormin was proved remarkably *effective in 9 out of 10 clinical cases.*

Try one or two Dormin capsules as directed. Clinical studies show that is usually enough to bring sleep quickly. Ask for Dormin, the original sleeping capsule—no prescription needed. Only $1.00 at all good drug stores.

School Board To Determine Future Action

Lincoln Star Special

Nebraska City — Members of the Nebraska City Board of Education are expected to get together soon to determine future action in respect to the defeated $995,000 school bond proposal, Supt. Richard Whitmore said Wednesday.

The issue was soundly defeated Tuesday by a vote of

Nebraska Ne

885 to 1,782 as Nebraska Citizens flocked to the polls despite a snowstorm.

The election was an outgrowth of 18 months study by a law citizens group working with Dr. Merle Stoneman of the University of Nebraska Teachers College, Supt. Whitmore explained.

A number of local organizations, including the Junior Chamber of Commerce, Optimist Club and PTA, supported the proposal, he said. However, opposition forces were pretty well organized, the school official added.

Approximately 4 years ago another school bond issue was rejected by Nebraska City voters. It was estimated that about 1,000 more voters appeared at the polls in Tuesday's election.

Fullerton Okays $65,000 Issue

Fullerton — By a vote of 225 to 126, Fullerton voters gave approval to a $65,000 issue for the financing of a water supply improvement program.

Funds will be used for the establishing of two new wells a mile north of Fullerton and the laying of a 10-inch pipeline to feed into the city's mains.

Engineers estimate entire cost of the project at $115,000. The remaining $50,000 will be provided by water rent hikes.

4 Representatives' Office Payroll In January Totaled Near $11,000

Washington (AP)—Nebraska's 4 representatives had a total office payroll of about $11,000 during January, all bunched within a $269 range of each other.

Current records in the House disbursing office show these gross salary totals for employes in the respective offices:

Rep. Donald F. McGinley (D), $2,921; Rep. Larry Brock (D), $2,756; Rep. Phil Weaver (R), $2,740, and Rep. Glenn Cunningham (R), $2,652.

The payroll records show these January gross salaries for employes of the offices:

McGinley—John C. Kelley $877; Francis E. Minter $729; Leona M. Goodell $643; Mary C. Runfola $447 and Marilyn V. Kelley $225.

Brock—Gerald E. McNamara $1,003; Rachel E. Beales $761; Joseph P. Hanson $557; Gloria M. Gearhart $235 and Alice K. Hollins $200.

Weaver—William B. Hatch $914; Theresa Gabrielson $550; Elisabeth P. Thomas $445; Sandra L. Caldwell $345; Olive B. Bishop $337; Albion W. Norblad $83 and Barbara Jean Harrold $66.

Cunningham—Wayne W. Bradley $921; Ann R. Yates $806; Rita E. Van House $541 and Daniel J. Monen Jr. $384.

Bid Accepted

Broken Bow (AP)—The Broken Bow Board of Education has accepted the apparent low bid of the Wachob-Bender Corp., Omaha, for $98,000 of bonds which will be issued if approved in a special election March 22. The bid involved an interest cost rate of 3.81999.

Shapiro To Speak

Kearney—University of Nebraska Prof. Karl Shapiro will give a lecture on the decline of modern poetry here March 24 at Kearney State College.

Stan Delaplane's

POSTCARD

Woke this morning to find snow coming down on the streets of Reno. The rooftops were squares of white from the Truckee river to Harold's Club.

Up in the International Olympic Press Club, the teletypes were chattering out the results from Squaw Valley. (The VIIIth Winter Olympics is an electronic affair. You could do this one from an armchair. And a good many of us do.)

The teletype typed off coldly: "First results Ladies Dowhill . . ."

That is a curious sporting event — "Ladies Downhill."

☆ ☆ ☆

This being the first Winter Olympics I ever attended, I have been looking for social significance, among other things.

I think the main social significance is how social it all is.

I think maybe it is the dress.

All of us Winter Olympics people are dressed in the fanciest sort of cold weather gear. We wear fur parkas and Tyrolean hats with a shaving brush stuck in the hat band.

☆ ☆ ☆

A few years ago I attended the Summer Olympics in Melbourne, Australia, and the social tone simply did not compare.

No question that winter sports draws a bluer type of blood.

Even the press is affected. And sports writers I last saw guzzling Melbourne bitter, under these heady conditions now complain about the vintage of the champagne.

☆ ☆ ☆

I am a director of the International Olympics Press Club. Several people have asked me to direct them to the elevator and I directed them.

The Press Club is on the top floor of the Mapes Hotel, overlooking the Truckee. The top floor is the 11th floor and it is the tallest building in Nevada. We are therefore the highest press club in the State.

The emblem of this club is a snowman.

The major feature is a traffic stop-and-go sign.

When the traffic sign clangs to "go," the bar serves free drinks. And all over the hotel, people rush from the gambling tables for the freesies.

The more social they are, the more nimble. I have noticed that.

I think this is socially significant. When a mink coat stiffarms a dyed rabbit in order to be first at the bar.

☆ ☆ ☆

Well, it was four years ago that I was hippety-hopping along Collins street in Melbourne.

We wore no parkas. For the travel books said: "Melbourne's climate at this time of year is like spring." Actually, spring was late that year. And I sat in the press box with a sweater wrapped around my head—a rather ridiculous appearance but comfortable.

We had no press club. Melbourne bars opened at 5 and closed at 6. It gave the natives one hour for what they called "The 5 o'clock swill."

None of us got our names in the social pages. And when the Olympic runner brought in the torch, the Australian papers headlined it: "Runs through the streets in his Jackie Howe."

A Jackie Howe is an undershirt in Aussie slang.

And if we were all in undershirts up here, I think this whole thing would be a social bust. Clothes make the man. And the Game.

Demo Woman To Oppose Sen. Smith

Rumford, Maine (AP) — State Rep. Lucia M. Cormier announced Wednesday night she will seek the Democratic nomination for the U.S. Senate seat held by Republican Sen. Margaret Chase Smith. Her candidacy could lead to the nation's first contest between two women for the Senate.

Sen. Smith

The possibility of a Smith-Cormier race depends on Miss Cormier defeating Thomas L. Maynard of Portland and on Mrs. Smith being renominated in the June 20 primaries. Mrs. Smith, lone woman in the Senate, has no primary opposition so far.

Both Miss Cormier, 48, and Mrs. Smith, 62, are former schoolteachers.

Miss Cormier, who now operates a Rumford stationery and gift store, was graduated from the College of St. Elizabeth in Morristown, N.J., and has a master's degree from Columbia University.

Now minority leader of the Maine House, and first woman to win the post, Miss Cormier ran for Congress in Maine's Fist District in 1950. She lost to the Republican incumbent at the time—ex-Rep. Robert Hale.

Miss Cormier got into politics by accident, attending a Democratic town committtee meeting in 1945 "as something to do for an evening."

In two years she was in the Legislature; in three she was on the Democratic National Committee, where she served from 1948-56.

Another Red 'First'

London (UPI)—A Soviet inventor has made an electronic device which can detect gold, Radio Moscow reported. It said several "dozen pounds of gold" had been discovered in tests of the machine.

2,100 Return To China

Tokyo (AP) — Since Indonesia banned alien Chinese merchants from trading in rural areas Jan. 1, more than 2,100 of them have returned to Red China aboard Chinese repatriation ships, Peiping radio says.

24 PLEDGE NWU FRATS

Twenty-four Nebraska Wesleyan University men have accepted bids to campus fraternities following second semester rushing, Dean of Men Delbert J. Sampson has announced.

Dr. Sampson said Theta Chi received nine pledges, Zeta Psi six, Tau Kappa Epsilon five and Phi Kappa Tau four.

The second semester preferencing list:

Phi Kappa Tau: David Crawford, Grand Island; Leonard Knerr, Stromsburg; Thomas C. Parfet, Denver, Colo.; Dennis Wright, Wheat Ridge, Colo.

Tau Kappa Epsilon: Harold G. Hopkins, Lincoln; Larry Marquardt, Lincoln; Ward Thayer, Indianapolis, Ind.; Morris Whitwer, Tilden; Don Williams, North Platte.

Theta Chi: William Bivin, Seward; Richard Daft, Stromsburg; Gene Engel, Friend; Bob Feldman, Lincoln; Stan McFee, Chappell; Tom Murray, Benedict; Lee Nelson, Stromsburg; Lynn Schmid, Oshkosh; Charles Wagner, Burwell.

Zeta Psi: Jerold Chamberlin, Gordon; Roland Gibbons, Gurley; John Herrmann, McCook; Charles Hilgenfeld, Dawson; Robert Marquardt, Avoca; Wasinder Singh Mokha, Amritsar, India.

Monty Will Meet Mao

London (AP) — When he visits Peiping next summer, Field Marshal Montgomery says, he will discuss with chairman Mao Tze-tung "certain conclusions" reached on a recent Swiss vacation about international security problems.

Paris Trees Dying

Paris (AP) — Air pollution caused by increasing traffic is annually killing thousands of shade trees that have made Paris one of the greenest cities in the world, the Municipal Council reports.

Amana® FREE-O'-FROST
FREEZER-plus-REFRIGERATOR

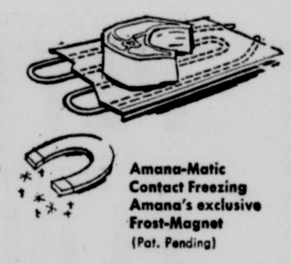

MODEL FOF-105—Free-O'-Frost Amana Freezer-*plus*-Refrigerator, total capacity 14.8 cubic feet with space for 168 pounds of frozen food. Only 65 inches high, 32 inches wide. Full family size refrigerator with glide-out shelves, automatic defrosting, butter keeper, vegetable crisper, meat keeper, tall bottle shelf. Stor-Mor door on both freezer and refrigerator. Handsome exterior styling features gold trim end is available with non-scuff embossed gold texture on freezer door.

SPECIAL PRICES
This Event Only

. . . by SPECIAL ARRANGEMENTS with Amana . . . We have purchased a TRUCK LOAD of 1960 freezers and freezer-refrigerator combinations for this sale . . . with this sale come prices that only a factory could sponsor . . . for the first time in history you can own a famous AMANA FREEZER for over $200 less than the low, low 1959 price . . . you owe it to yourself to come in and check THESE FANTASTIC PRICES.

Just Some Of The Reasons Why
"AMANA IS GUARANTEED TO OUTPERFORM "ALL OTHERS"

"Frost Magnet"
Amana features fast efficient contact freezing—up to 2½ times faster than ordinary freezing—with no frost ever! All food is on or below a fast freezing surface. Even "zero" storage temperatures keep foods fresher, safer, longer. The exclusive Amana Frost-Magnet attracts frost . . . takes it out of the freezer.

Amana-Matic Contact Freezing Amana's exclusive Frost-Magnet (Pat. Pending)

Only Amana has . . . CONTACT FREEZING SHELVES with FREE-O-FROST

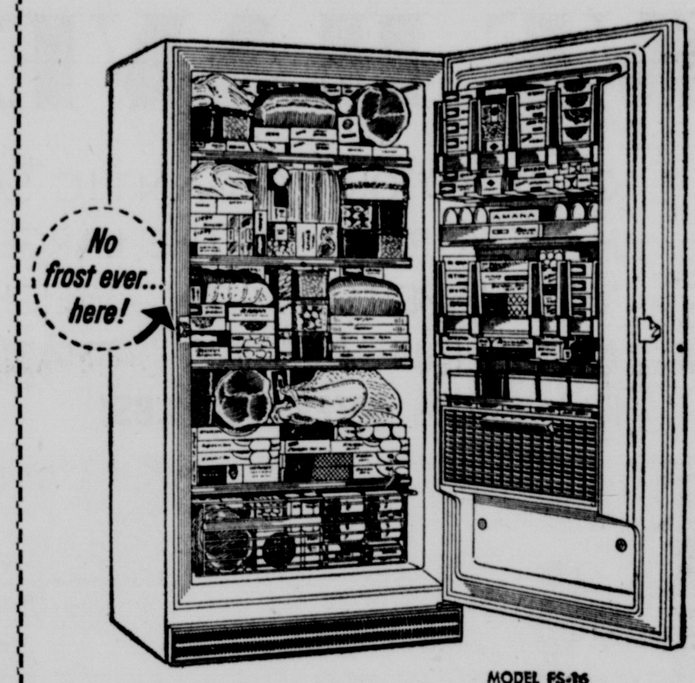

UP TO 3 YEARS TO PAY

AMANA FACT 1
Amana reserve power and efficiency brings temperature down to 0 degree faster and safer than all others tested. Because Amana is engineered and designed and built to be a fine food freezer — not just a "holding cabinet" that "feels" cold.

AMANA FACT 2
Amana maintains an even 0 degree temperature because Amana has 6 "fast" freezing surfaces of solid aluminum with the cold coils brazened to each shelf. All foods are either directly in contact with, or directly below these "FAST FREEZING" Shelves. Amana reaches and maintains 0 degree (F) temperature — thus protecting your frozen foods from TEMPERATURE DAMAGE.

AMANA FACT 3
Amana has uniform food storage temperature — many other freezers have long running cycles which indicate lack of freezing capacity. Amana insures "lock-in" nutritional values because of the even zero degree temperature throughout.

3 DAYS ONLY
Hours: Thurs. 8 A.M. to 9 P.M.—Fri. 8 A.M. to 5:30 P.M.
Hours: Sat. 8 A.M. to 5:30 P.M.
Open Fri. Eve. by appointment

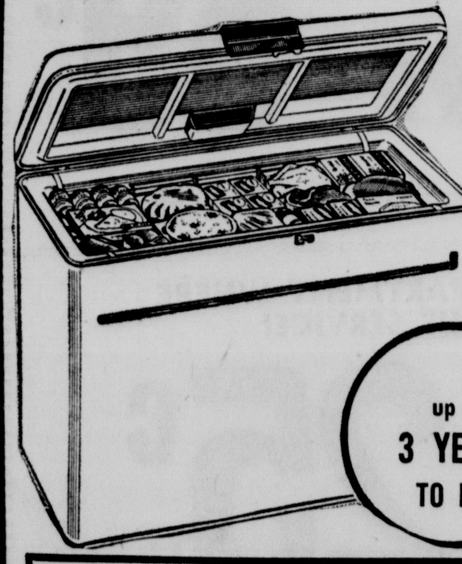

MODEL FS-16

Amana® FREE-O'-FROST
FREEZER

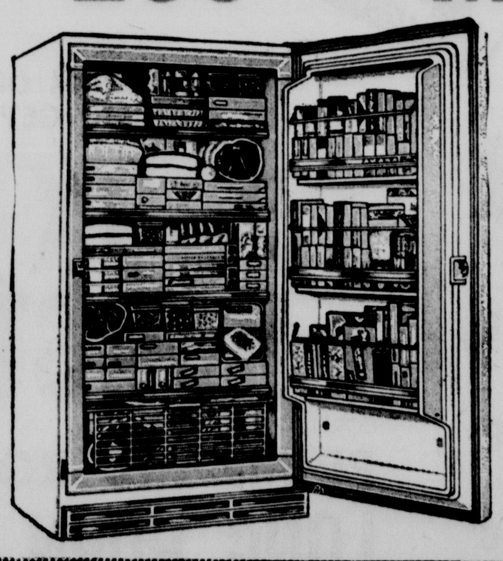

MODEL FS-16—Amana Free-O'-Frost Freezer. 14.7 cubic feet capacity with room for 515 pounds of frozen food. New Glide-out basket convenience for difficult hard-to-store foods. Amana's exclusive Stor-Mor door gives you lots of extra storage space—everything within easy sight and reach—automatic inventory control. First package in is first package out. Holds more than a month of meals.

The pair watching him don't really need a demonstration of how his auger workers, but inventor Ray Hall (center) shows them nonetheless. Partners manufacturing the new Exeter product are Thane Croston (left) and Richard Wilson, the latter holding a hand auger also being made by the firm. **(Star Staff Photo)**

Exeter Adds New Firm To Its Industrial Growth

By Dean Terrill
Southeast Nebraska Bureau

Exeter—Three young men here aren't kidding when they say their future lies underground—but neither are they being pessimistic.

They just recognize that their own success depends largely upon the revolutionary earth auger one of them invented and the other two are manufacturing. The new ly formed Modern Products, Inc., is turning out the item, used for drilling under such surface obstacles as streets and highways.

Partners Thane Croston and Richard Wilson had enough confidence in the auger to give up management positions with Exeter's 64-year-old Charles C. Smith, Inc., successful office equipment manufacturer. Their own production goes on almost in the shadow of the famous old firm.

Patent Pending

Ray Hall developed the auger during his 11 years in the excavating business. With a patent pending, he is content to leave production up to the licensed manufacturers but looks in on the new business frequently.

Hall built one of the portable drilling units for himself years before he considered marketing it. A large pipeline firm drilling in York County was so impressed by the invention that Hall was encouraged to patent it. The company has since bought several augers itself.

Three models of the auger are being manufactured, two powered with gasoline engines (3 and 5.75 hp) and one a small hand unit. Main advantages of the new-type drill are said to be its portability, low cost and speed of operation.

7-Foot Track

Hall's horizontal auger operates on a 7-foot track which ordinarily is lowered into a trench. Drilling 5 feet a minute, an operator can go at least 130 feet with the machine. A bit up to 14 inches can be used, after a two-inch hole is drilled first.

Are the young manufacturers counting on their experience with the Smith firm to make the new venture a success?

"Any experience is helpful, but our problems are quite different," said Croston. "We've been dealing with white-collar workers, but now it's wholesale plumbers and contractors."

The new company expects the main use for its products will be drilling holes for water, gas and sewer lines. The augers combine rotary drill bits with hydrodynamic action.

Nebraska News

District Judge Van Steenberg Will Not Run

Lincoln Star Special

Gering — District Judge R. M. Van Steenberg will enter private legal practice in Scottsbluff following completion of his term on the bench.

Van Steenberg had notified the secretary of state Tuesday that he was withdrawing from the 17th Judicial District race.

The judge was appointed July 6, 1957, by former Gov. Victor Anderson to fill a vacancy created by the death of Judge C. G. Perry.

The 17th District includes Scotts Bluff, Morrill and Garden Counties.

Teamsters Union Still Tainted, Rackets Committee Charges

Washington (AP)— The Senate Rackets Committee, closing out 3 years of investigation, says James R. Hoffa's Teamsters Union still is infested with criminals and racketeers.

The committee is split in a partisan row over findings in its investigations of the United Auto Workers Union, but there was no sign of dissent to this renewed blast at Hoffa.

The report, being printed now for filing with the Senate, has not ben released officially. A copy was made available to a newsman.

Taking direct aim at Hoffa, as it did in other reports in 1958 and 1959, the committee said he gave answers "unworthy of belief" when questioned about alleged wrongdoing.

It called his testimony "a curious and practically unfathomable mixture of ambiguity, verbosity, audacity and mendacity."

The evidence in Teamster probes of 1959, the report says, merely added to "the great weight of previous testimony" that the funds and rights of the union and its members had been abused by Hoffa and men surrounding him.

The hearings provided further proof to support previous findings, the committee said, that there were collusive deals between the Teamsters and employers or employer groups with which Hoffa had special business or social ties.

The report pictured the Teamsters as not hesitating to engage in strikebreaking to harass clean unions opposing Hoffa's policies.

The report said it saw no prospect of the "purging of criminals and racketeers from positions of power at all levels" of the Teamsters, unless the courts and executive agencies of government do it.

This, the report said, is the committee's last official word on Hoffa and his union. Its authority is scheduled to expire March 31.

SEEDMEN ELECT BERRY AT MEETING IN LINCOLN

Art Berry of Omaha was elected president of the Nebraska Seedsmen Assn., Wednesday at concluding sessions of the group's annual meeting here.

Berry, who was vice president, succeeds Hollis Miller of York.

Claiton Lauber of Geneva was elected vice president and Eddie Robinson of Waterloo was named secretary-treasurer.

Wednesday's session featured a noon address by Robert Pease of Beatrice, vice president of the Western Seedsmen Assn.

Pease poked fun at various types of bosses in an entertaining speech illustrating that "business is fun."

State Agriculture Director Pearle Finigan, University of Nebraska Agronomy Department Chairman Dr. Don Hanway, and Lloyd Kriener, chief of the seed division of the Department of Agriculture, spoke at the morning meeting.

ART BERRY

Lincolnite Wins Speech Contest

Farren Renker of Lincoln was judged best speaker in the area 9 speech contest held Wednesday by Lincoln Toastmasters Club 403.

Renker will compete in district contests March 27 in Lincoln, according to Jack O'Shea, 403 club president.

Second place in the contest went to Don Crosier of Lincoln. Allen Kruger of Seward took 3rd place honors.

Last year, Club 403 won second place in international competition.

Utilities Meeting To End Thursday

The 13th annual utilities conference will hold concluding sessions Thursday on the University of Nebraska campus.

The two-day meeting opened Wednesday.

The conference is arranged for supervisors and operators of utility systems.

The meet is sponsored by the College of Engineering and Architecture and the extension division at the University, the League of Nebraska Muncipalities and the Nebraska section of the American Water Works Assn.

Northeast YMCA Membership 409

Total membership of the Northeast Lincoln Branch of the YMCA reached a record 409 members following the recent drive, according to Richard L. Beem, executive secretary.

Beem reported the drive secured 151 new members and 135 renewals, which coupled with the 123 members who had paid prior to Feb. 1, totaled 409.

He noted a 56% increase over the 1959 drive which produced 160 members.

The number of two-car families in the U. S. is constantly growing. In many cases, the second car is a used one. The average automobile dealer allocated 72% of his used car advertising budget for newspapers, where he knows his ads will be seen by practically all of his potential customers.

April 1 Start Set For First District Census

The 1960 census of population and housing in the First Congressional District will get underway April 1.

The comprehensive inventory will require the services of 368 enumerators, 24 crew leaders, and 23 field reviewers, under the direction of Anna M. Evans, district supervisor.

Sometime prior to April 1, all households will receive by mail an advance census report form, a new census-taking device designed to speed up the field canvass and to provide more accurate statistics, according to Miss Evans.

The information required concerning the dwelling will include number of rooms, cooking facilities, plumbing and if rented or owned.

At every fourth household, additional questions covering population and housing characteristics will be asked for a 25% sample of the nation's population.

The sample population questions will include inquiries on country of birth, schooling, employment, income and related items. Additional housing questions relate to rent or value of dwelling, heating equipment, water supply and other facilities and equipment.

Blotter Bandit

Caerphilly, Wales (UPI)—William Jenkins, 35, was charged with breaking into a police station and stealing the arrest blotter.

Nebraska Deaths

Mrs. Julia R. Marquardt

Madison—Funeral services were held here Wednesday for Mrs. Julia R. Marquardt, 66, formerly president of the Madison Woman's Club. She was the widow of C. E. Marquardt, Madison banker and real estate man. Born near North Bend, Mrs. Marquardt attended Fremont Normal College and later taught at Kennard. She was a member of St. Leonard's Catholic Church. Surviving are two sons, Dean B. of Omaha and Charles J. of Hastings; daughter, Donna of Fremont; and two grandchildren.

Mrs. A. E. Hockman

Geneva—Funeral services were held here for Mrs. A. E. Hockman, 60, who died unexpectedly at her home. The former Maude Moore, she taught in the Hastings junior high school for near 20 years. Surviving are her husband; her mother, Mrs. Sarah A. Moore of Geneva; a stepson, E. Willard Hockman of Geneva; and her sisters, Mrs. C. M. Gald of Manteca, Calif., Mrs. H. H. Whitlock of Lincoln and Mrs. John Kroll, Nelle Moore and Hazel Moore, all of Geneva.

William A. Barnett

Geneva—Funeral services for William A. Barnett, 82, retired photographer, will be at 2:30 p.m. Friday at the Kritner-Farmer Funeral Home in Geneva. He died in Lincoln. Surviving are his wife, Belle M.; daughter, Mrs. Elmer Smith of Maitland, Mo.; son, Ronald of Geneva; sisters, Miss Vida Barnett of Lincoln, Mrs. Nellie Reed of Loup City and Mrs. Vesta Warrington of Dallas, Tex.; brothers, Charles of Shadehill, S.D., Fred of O'Neill and Byrd of Lincoln.

State Adopts Some Callan Suggestions

Gov. Ralph Brooks reported Wednesday that he has put into effect several recommendations made by his committee on governmental organization headed by Clair Callan of Odell.

The report was on a detailed study of the State Purchasing Department.

In the 4 months since it was submitted, Gov. Brooks said he has directed the Sate Purchasing Agent to extend the "competitive bid" system, request specific advice from the State Committee on Standards and Specifications regarding purchases, study the purchase of gasoline by competitive bid (except that bought by the Department of Roads, which is about half the state's consumption), reinstate microfilming, and apply several other purchasing practices.

He said he would investigate further certain other recommendations designed to save state money, including legislation to do the following:

—Narrow discretionary powers of the Purchasing Agent by requiring competitive bidding.

—Prescribe methods for faster handling of payment vouchers.

—Add one or more persons from outside state government to the state committee on standards and specifications.

—Establish a purchasing code department (it now operates under the tax commissioner's office).

—Establish a separate "general services" department.

Keep Stamps

As for the idea of having state employes keep trading stamps on state purchases, the governor said it appears that the cost of controlling such a program "would exceed the value of the stamps."

The governor extended his "sincere thanks" to Callan and the committee for their generous contribution in time and effort.

The detailed study of a single department, Brooks said, sets a precedent in nonpartisan studies "which might well be extended" to other departments, but he regrets funds are not now available for this.

Capsule Of Titan Is Found

...5,000-Mile Shot

Cape Canaveral, Fla. (UPI)—The Air Force fired a Titan intercontinental ballistics missile on a highly-successful 5,000 mile shot down the Atlantic range Wednesday and recovered a data capsule from its nose cone.

The nose cone and data capsule—corresponding to a warhead if fired in anger—plunged into the south Atlantic off lonely Ascension Island, between Africa and the hump of Brazil.

It was the longest testflight to date for the sleek, sophisticated 110-ton Titan which is scheduled to become America's mightiest war rocket.

Major Objective

The spectacular shot involved a major objective of second stage separation and ignition in flight — achieved for only the second time Wednesday. But it went smoothly and perfectly from blast-off to the capsule recovery off South America.

The capsule was ejected from the cone on or just prior to impact and the capsule floated on the water. The nose cone sank.

Cuba Denies Ban On An Anti-Red Meeting

Havana (AP) — Minister of the Interior Jose Naranjo denied the government refused permission for an anti-Communist rally in Havana's Central Park.

Rally organizer Manolo Maza, head of a splinter group of the once-powerful Autentico Party, claimed the government told him the rally could not be held. Maza said he had canceled it.

Naranjo said the government had never prohibited such meetings and anyone who applied for a permit would get it.

Scribner Banker And Son Indicted For Tax Evasion

Omaha (AP) — A Federal Grand Jury Wednesday indicted Arthur M. Schultz, 75, and his son, Harold M., 50, of the Farmers State Bank of Scribner on 9 counts of income tax evasion.

The elder Schultz is bank president and the son is cashier.

The government charges the elder Schultz with evasion of $10,862 in taxes for 1953-57 inclusive and the younger Schultz with failing to pay $5,344 from 1953 to 1956 inclusive.

Frank G. Pringle Dies After Illness

Omaha (AP) — Frank G. Pringle, 61, former division manager of Safeway Stores here, died Wednesday after a long illness.

Pringle started as a food clerk with Safeway's parent company in Idaho in 1920. He had been Omaha division manager from 1939 to 1959.

Survivors include his widow and a daughter, Mrs. Jean Pringle Baker of Omaha.

Stocks Down Irregularly

New York (AP) — The stock market staged an irregular decline Wednesday despite some strong advances by selected issues. Trading was moderate.

Motors and steels headed the downtrend among the major industrial groups. Rails edged off.

Speculative activity was strong, however, among some of the "science" stocks as well as makers of the smaller, private planes and photographic issues.

The Dow Jones industrial average fell 2.46 to 623.73.

The Associated Press average of 60 stocks declined .70 to 217.00 with the industrials down 1.30, the rails down .20 and the utilities down .30.

Of 1,206 issues traded, 579 declined and 413 advanced. New highs for 1959-60 totaled 12 and new lows 34.

Volume was 2,740,000 shares compared with 2,960,000 Tuesday.

Nine of the most active stocks declined, 5 advanced and one was unchanged.

American Stock Exchange prices were mostly lower. Volume was 840,000 shares compared with 1,180,000 Tuesday.

Corporate bonds advanced.

U.S. government bonds were mostly lower.

Bond volume declined to $5,560,000 par value from $6,016,000 Tuesday.

Markets At A Glance

New York (AP) —

Stocks — Lower; motors pace decline.

Bonds — Mixed; corporates decline.

Cotton—Irregular; changes narrow.

Chicago:

Wheat — Lower; light selling.

Corn — Higher; short covering.

Oats — Mostly steady; leager trade.

Soybeans — Mostly lower; liquidation.

Hogs — Strong to 35 cents higher; top $14.75.

Cattle — Slaughter steers steady to 50 cents higher; top $30.50.

Selling Drives Hurt Soybeans

Chicago (AP) — Two selling drives on soybean futures sent most of those contracts into new low ground for the season Wednesday but both times they recovered some of the setbacks.

At their worst, March, May and July contracts were off a cent or more a bushel. The selling appeared to be linked with the weakness in soybean oil and soybean meal but both those commodities rallied late and closed about steady.

Wheat closed ⅛-½ cent a bushel lower March $1.99¼; corn unchanged to ⅝ higher, March $1.11⅝; oats unchanged to ⅛ lower, March 73 cents; rye ¼-1⅛ lower. March $1.23½-⅝; soybeans ¾ lower to ¼ higher, March $2.09¼-⅛.

Butcher Hog, Cattle Prices Increase 50c

Omaha (AP)—Fat cattle prices jumped 25 to 50c in Omaha Wednesday.

A light run and broad packer demand carried butcher hogs 25 to mostly 50c higher. Fat lambs were slow.

OMAHA

Hogs: salable Wednesday 7,000; barrows and gilts 25 to mostly fully 50 higher; U.S. No. 1-3 190-250 lbs. 14.25-15.00; about a double deck sorted mostly No. 1 and No. 1 and 2 200-240 lbs. 15.25; sows 290-600 lbs. 12.25-13.50.

Cattle: salable 6,500; calves 50; fed steers unevenly strong to 50 higher; heifers fully steady to mostly 25 spots 50 higher; cows strong to 25 higher; bulls strong; vealers fully steady; mostly high choice with small end prime 1,175-1,225 lbs. steers 27.75; same grade 1,114 lbs. 28.00; choice steers under 1,300 lbs 26.00-26.75; good and low choice 23.50-26.00; high choice 1,050-1,100 lbs. mixed yearlings 27.25; choice heifers 26.00-27.00; good and low choice 22.50-25.75; utility cows 15.25-16.25; high utility and commercial 16.50; canners and cutters 13.00-15.25.

Sheep: salable 3,000; slaughter lambs strong to 50 higher; other classes about steady; mostly choice wooled slaughter lambs 21.50; good and choice 90-113 lbs. 20.50-21.25; good and choice 110 lbs. shorn slaughter lambs No. 2 pelts and same grade No. 1 pelts 19.25; cull to choice wooled slaughter ewes 4.00-7.50.

CHICAGO

Butcher hog prices were as much as 35 cents a hundredweight higher Wednesday.

Some 200-215 lb sorted No. 1 and mixed 1-2 grades brought $14.75, up 25 cents from Tuesday's top, but the extreme advance was on weights over 230 lbs. Heavier weights sold at $13.00 and up for all grades, mostly mixed.

Sows were $11.00-12.75 and 25 to 50 cents higher.

A load of prime grade slaughter steers weighing 1,284 lbs sold at $30.50, the highest price since last July 15 when a $32.50 peak was paid. Prices were steady to 50 cents higher.

A few other loads of prime scaling 1,100-1,285 lbs brought $30.00 and some mostly prime $29.50-29.75. The mixed choice and prime topped at $29.25, strictly choice at $28.25 and good grade $26.75.

Heifers were weak to 25 cents lower, vealers and bulls steady. Choice to mixed choice and prime heifers cleared at $25.75-28.00, vealers at $32.00 and down, utility and commercial bulls $20.00-22.00.

Prime grade slaughter lambs were 25 to 50 cents higher at $21.75. Other good and choice wooled lambs sold up to $21.50. Ewes were $6.50-7.50.

Hogs: 6,500; higher; steady to 25 higher; U.S. mixed No. 2-3, 200-260 lbs. 13.75-14.25; mixed No. 1-2-3, 190-200 lbs. 14.25-14.50; mixed No. 2-3, 260-280 lbs. 13.50-13.85.

Cattle: 13,000; calves 100; slaughter steers steady to 50 higher; heifers steady to 25 higher; bulls and vealers steady; many loads mostly prime 1,100-1,400 lbs., 29.50-29.75; numerous loads mixed choice and prime 1,100-1,400 lbs., 28.50-29.25; bulk choice 26.25-28.25; good 23.00-26.75; choice heifers 25.75-27.50; good 22.00-25.50; bulls 20.00-22.00; vealers 32.00 down.

Sheep: 2,000; slaughter lambs 25-50 higher, good and choice 30-110 lb. wooled 20.25-21.50.

DENVER

Hogs: Wednesday 1,200; barrows and gilts fully 25 to mostly 50 higher; sows about 25 higher; mixed U.S. No. 1, 2 and 3 barrows and gilts 190-250 lbs 15.50-15.75; several lots No. 1 and 2 199-226 lbs also 15.75; No. 1 and 2 grade sows 273-385 lbs 13.00-13.50; mixed No. 2 and 3 403-494 lbs 12.00-12.25.

Cattle: 1,200; calves none; slaughter steers steady to 25 higher; heifers mostly steady; cows steady to 25 higher; high good to average choice slaughter steers under 1,300 lbs 25.00-26.75; high good to average choice 875-1,030 lbs slaughter heifers 25.50-26.25; average to high good heifers 23.50-25.00; utility cows 16.00-17.25; few head high utility and commercial 18.00; canners and cutters 13.50-16.00; mostly 14.50-16.00; utility bulls 19.00-20.00.

Sheep: 7,000; slaughter and feeder lambs steady; 15 loads good to mostly choice 104-113 lbs wooled slaughter lambs 21.00; mixed good and choice 20.50; 2 loads good and choice 99 lbs shorn lambs largely No. 1 pelts 19.25; good and choice 81 lbs wooled feeder lambs 20.25.

SIOUX CITY

Hogs: Wednesday 6,500; barrows and gilts 25-50 higher; sows strong, some 25 higher; U.S. No. 1-3 190-240 lbs 14.25-14.50; 1 consignment 14.75; small shipment No. 1 and 2 15.00; sows 400-550 lbs 12.25-12.75.

Cattle: 4,000; calves 200; slaughter steers strong to 25 higher; heifers steady to strong; cows steady; stockers and feeders steady to weak; mostly high choice around 1,200 lbs steers and 2 part loads around 1,025 and 1,160 lbs 28.00; high choice and prime 1,125 lbs steers 28.50; bulk choice steers under 1,200 lbs 26.50-27.50; choice 1,200-1,350 lbs 25.50-27.00; good and low choice 24.50; choice slaughter heifers 25.50-26.50; high good and low choice 24.25-25.25; good 21.50-24.00; utility and commercial cows 15.50-17.00; canners and cutters 13.50-16.00.

Sheep: 3,000; slaughter lambs fully steady to strong; mostly choice 100 lbs wooled slaughter lambs 21.25; good and choice 95-112 lbs 20.50-21.00; good to mostly choice 112 lbs mixed shorn and full wooled slaughter lambs 20.50; mostly choice 100 lbs fall shorn slaughter lambs 20.00; good and choice 95-105 lbs mostly No. 1 pelts 19.50-19.75; cull to good wooled slaughter ewes 3.00-5.00.

ST. JOSEPH

Hogs: 2,500; barrows and gilts 50-75 higher; extremes 1.00 up; sows 25-50 higher; U.S. No. 1-3 190-250 lbs butchers 14.75-15.00; mostly No. 1 and 2 190-240 lbs 15.00-15.25; 19 head No. 1 and 2 228 lbs 15.50; sows under 400 lbs 12.75-13.75; 400-600 lbs 11.75-13.00.

Cattle: 2,400; calves 100; slaughter steers and heifers steady to 25 higher; extremes 50 up on steers; cows scarce, strong; high good and choice fed steers 1,250 lbs and down 24.50-27.00; choice to prime 1,200 lbs 27.50; good steers 23.00-25.00; choice mixed yearlings 27.00; high good and choice heifers 24.25-26.65; good heifers 22.50-24.00; utility and low commercial cows 15.25-17.00; canners and cutters 13.00-15.50.

Sheep: 200; not enough of any one class to test prices; mostly good 96 lbs wooled slaughter lambs 19.00; mostly good with choice end 95 lbs shorn slaughter lambs fall shorn pelts 19.25.

KANSAS CITY

Hogs: 1,200; barrows and gilts strong to 25 higher; few late sales only steady; sows scarce, steady; U.S. No. 1-3 190-250 lbs 14.50-14.85; several lots No. 1-3 200-240 lbs 14.85-15.00; 26 head No. 1 and 2 230 lbs 15.15; sows 12.25-13.25.

Cattle: 2,300; calves 50; steers and heifers fully steady; utility and commercial cows fully steady; canners and cutters strong to spots 50 higher; stockers and feeders steady; several loads 1,000-1,225 lbs steers low choice 26.00-26.75; good and low choice under 1250 lbs 24.50-25.75; late Monday small lot prime under 1,000 lbs steers 28.00; near average choice 970 lbs heifers 27.00; good to barely choice heifers 24.00-25.00; utility and low commercial cows 13.75-17.50; individual standard to 19.50 and 20.00; canners and cutters 13.50-16.25, few 16.50-16.75.

Sheep: 1,800; slaughter lambs steady to 25 higher; other classes too few to test trend; choice 118 lbs wooled slaughter lambs 21.00; mixed good and choice 112 lbs wooled western lambs 19.75.

Some Pastors Card-Carrying Reds, 2 Church Leaders Assert

Washington (AP)—Leaders of two church groups said Wednesday a full-scale investigation would turn up card-carrying Communist pastors in some churches.

Dr. Carl McIntire and Dr. Clyde J. Kennedy protested to Secretary of Defense Thomas S. Gates Jr. his repudiation of an Air Force training manual which said the pulpit had been infiltrated by Communists.

Afterward they held a downtown news conference at which they were asked whether they knew of any Communist pastor in any church.

McIntire, who did most of the talking, replied that he wasn't going to mention any names, but added:

"If we can get a full investigation you will have the names of card-carrying Communists in the churches." Pressed to say whether he meant pastors, he replied that he did.

Both Council Chiefs

McIntire is pastor of the Bible Presbyterian Church of Collingswood, N.J., and president of the International Council of Christian Churches.

Kennedy, pastor of the Bible Presbyterian Church of Tacoma, Wash., is president of the American Council of Christian Churches.

They estimated the two organizations represent about 1½ million members.

McIntire and Kennedy said they told Gates "to apologize to the country for apologizing to the National Council of Churches without first ascertaining the truthfulness of the material" in the manual. The manual was withdrawn after the National Council of Churches protested. The council represents churches which claim about 35 million members.

McIntire replied "absolutely" when asked whether he felt the manual should have been issued. He said he and Kennedy told Gates the Defense Department "had a responsibility to see that the armed forces were properly informed as to the mischief of the Communists in every field of their subversion."

"We insisted that he had yielded to pressures of a powerful ecclesiastical body and that our government was entirely independent of church pressure and that the government should not be used to serve the purposes of the National Council of Churches or any church body."

American Artist Held In Big Paris Roundup

Paris (AP) —A young American woman artist was arrested in a big police roundup of persons suspected of aiding the Algerian Nationalist rebels.

Police identified the girl as Gloria Deherrera, but refused to give any information about her or say what part she is accused of playing. No formal charges have been filed against her.

Army Mothers Plan State Meet

Plans for the state convention of the United States Army Mothers to be held in Lincoln in May were made at a local meeting of the group.

The following new officers were installed:

Dora Hansen, commander; Opal McKeen, first vice commander; Mabel Schroeder, second vice commander; Paulina Frisch, adjutant; Myrtle Smith, finance officer; Emma Jackson, chaplain; Caroline Obbink, judge advocate; Heila Albrecht, historian; Irene Grant and Mildred Nelson, sergeants-at-arms; Linn Carnahan, color bearer, and Mary Eddy, banner bearer.

Harris Files

Gering (AP) — Robert Harris filed Wednesday as a candidate for nomination for 17th district judge He is a former Gering justice of the peace and police judge and a former Scotts Bluff deputy county attorney.

England Has Fog

London (UPI) —Heavy fog covered the south and west of England, limiting visibility in some places to less than 50 yards.

Opens Way To Settle Old Score With Curtis

. . . BATTLED BACK IN '42

Announcement Wednesday that Gov. Ralph G. Brooks has set his sights on the U.S. Senate seat now held by Republican Carl T. Curtis, opened the way for the governor's possibly settling an old score with the Minden attorney.

The two vied for Nebraska's First District congressional post in 1942 when Curtis won his first trip to the nation's capital.

Curtis beat Brooks in a 3-way race in the general election which included an independent candidate, Claude C. Earley.

Before the race to settle the old score can become a reality, however, Brooks must win the May 10 primary — and here again, there will be a reminder of days gone by.

Clair Callan of Odell filed last week as a candidate for the Democratic nomination for the Senate and his father, the late John Callan of Odell, opposed Brooks in the 1942 Democratic primary for the First Congressional District post.

Plans 'Indefinite'

In anwer to questions at his press conference Wednesday, Brooks said his campaign plans as such were "indefinite."

He said it may be a "catch as catch can" type of campaign "like the last time" referring to the 1958 election which saw the McCook school chief win a nip and tuck battle to become the state's first Democratic chief executive in 18 years.

"We can't lay down 6 millions dollars like the Republicans can. We have to rely on our friends" when rescue is needed. And he added that such friends "have done well in the past."

Brooks filing fee was paid at McCook Wednesday afternoon and the governor said he expects to complete his filing within the "next two or 3 days."

Gov. Brooks' administrative assistant Robert Conrad was asked at the press conference if he was going to make any announcement of his political plans.

Conrad, expected to seek the Democratic nomination for governor, said he would make a statement "within a few days."

Brooks' Friends File His Name

Friends of Gov. Ralph Brooks at McCook Wednesday filed the governor's name as a candidate for delegate at large to the Democratic, national convention at the same time they filed his candidacy for Democratic nomination to the U.S. Senate.

The governor said he was postponing a decision at this time, however, on whether he would accept the delegate filing.

Brooks Dares History In Trying For Senate

By Don Walton

Gov. Ralph Brooks took a dare from history Wednesday.

Never has a Nebraska governor stepped directly from the state's highest office to the U.S. Senate by a vote of the people.

But, don't think they haven't tried.

Every governor since 1935 —except Victor Anderson— has attempted to move directly to the Senate. All have failed.

The list includes Democrat Roy Cochran and Republicans Dwight Griswold, Val Peterson and Robert Crosby.

Won Primary

Only Cochran won his senatorial primary battle.

Thus, Brooks has accepted the historical challenge of attempting to perform a political feat never before accomplished.

Only 3 of Nebraska's 27 governors prior to Brooks also served in the U.S. Senate.

Charles H. Dietrich, a Republican, moved directly from the governor's chair to a Senate seat in 1901 but as a choice of the legislature, not the people.

Griswold was elected to the Senate in 1952 on his second try. His bid to move to Washington from the Statehouse was quashed in 1946.

John M. Thayer, another Republican, served as a senator (1867-71) prior to his election as governor in 1887.

Divers Find Dresen

Santiago (AP) — Chile's Navy says its frogmen have found the German cruiser Dresden, sunk by the British Navy in World War I, near the Juan Fernandez Islands, 400 miles west of Valparaiso. The Dresden had been the only cruiser of Adm. Graf Spee's fleet to survive the battle of the Falkland Islands.
